*“We, as a coaching staff, think of you as an investment in our future at North Shore. As a future Mustang, you should look forward to being part of a greatly, successful football program filled with pride and tradition. Our players work hard to get to the playoffs every year with the chance of winning a state championship and, possibly, earning a college scholarship. We have been in the playoffs for the last 15 years, winning a state championship, winning 78 straight regular season games, and featuring 134 players moving to the college level. Our camp emphasis will be on the same character-building qualities that have taken Mustang teams to these high levels of respected achievement. Start preparing for your Mustang football career by attending our football camp.*

*Looking forward to seeing you at camp!”*
