It's quick and easy to set up your account online. Visit the Teladoc website and click "Set up account". Then follow the instructions below.

1. Provide your name, contact information, and date of birth
2. If you have a username, choose "Yes" and enter it here. If you don't have a username, choose "No, I don't have a username."

Not all members have a username, so don't worry if you need to select "No."

3. Select one of the four options that detail how you found out about Teladoc and enter the requested information.

The image shows two screenshots of the Teladoc website's account setup process. The first screenshot is titled "1. A callout box labeled "1." highlights this section. Below it, a callout box labeled "2a." shows the "Do you have a username?" question with radio button options for "Yes, I know my username" and "No, I don't know my username." The second screenshot is titled "2b." and shows the "How did you find out about Teladoc?" question with four radio button options: "My employer or insurance provider offers me access to Teladoc.", "I have a Teladoc promo code.", "I have a Teladoc ID card that shows a website that is different from 'Teladoc.com.' (ex: Teladoc.com/somethingelse)", and "I'm not sure." A callout box labeled "3." highlights this section. A blue arrow points from the first screenshot to the second.
