Hello Team,

Welcome to Senior Week. Seniors and staff are able to enjoy this week of dress up fun.

This week is also the end of the 2nd Six Weeks. Please remember that students should have 3 major grades and 8 daily grades. Parent contact is required for any student that is failing. As a reminder, your six weeks checklist is due to your appraiser by the end of the day on Friday.

The Treasure Chest staff cart is looking for you! The admin team is always on the lookout for the next educator to surprise. Will you be next...????
