

Highlights

Galena Park High School

Noel Gaines IV

October Highlights

- The Big Brother Big Sister program introduced 18 new high school student mentors to the program this month.
- CIS has been working hard to increase parent engagement on the campus of Galena Park High School and has been working close with staff and administration to form computer literacy, ESL, and college prep classes for parents.
- CIS partnered with the Galena Park High School nurse to take 17 students on the “see to succeed” trip where all the student were given free eye exams and will receive free eye glasses.
- Students continue to be recommended to CIS. Recruitment is an on-going process.

November Planned Activities

- Radio one tour trip with CIS students.
