Nutrition Policy Exemptions

Where & When

Nutrition Policy

Elementary School Classroom Snacks

Elementary classrooms may serve one nutritious snack per day in the morning or afternoon (not during regular meal periods for that class) under the teacher's guidance. The classroom snack may be provided by the school food service, the teacher, parents or other groups and should be at no cost to students. **Prepackaged snacks must comply with the fat and sugar limits of the Texas Public School Nutrition Policy, and must be single-size servings. All snacks (homemade and prepackaged) may not contain any FMNVs or consist of candy or dessert type items (cookies, cakes, cupcakes, pudding, ice cream or frozen desserts, etc.).** For nutritious snack ideas, see TDA's listing of "Suggestions for Nutritious Snacks," available on request and at www.squaremeals.org.

Elementary Classroom Birthday Parties

Foods otherwise restricted by the policy are permitted at student birthday parties. It is recommended such parties be scheduled after the end of the class's lunch period so that these celebrations will not replace a nutritious lunch.

Snacks for TAKS Test Days

Schools and parents may provide one additional nutritious snack per day for students taking the TAKS tests. As with classroom snacks, these must comply with the limits outlined in the Public School Nutrition Policy. For healthy snack ideas, see TDA's listing of "Suggestions for Nutritious Snacks," available on request and at www.squaremeals.org.

Field Trips, Athletic, UIL, Band and Other Competitions

The nutrition policy does not apply to students who leave campus for campus-approved field trips or to travel to athletic, UIL, band or other competitions. The school day is considered to have ended for these students. School activities, athletic functions, etc. that occur after the normal school day are not covered by the policy.

Other

Certain exemptions are allowed for school nurses, students with special needs and up to three school wide events preapproved by campus officials. (NOTE: Federal regulations do not allow FMNVs to be sold or given away during meal periods where reimbursable meals are served and/or consumed, including during any exempted events.)

Compliance and Penalties

Please be aware that stricter penalties are now in place when violations of the Texas Public School Nutrition Policy are identified. Please refer to the full policy at www.squaremeals.org for further details on compliance and penalties.

Through the Square Meals initiative funded by the U.S. Department of Agriculture, Food and Nutrition Service, the Texas Department of Agriculture provides a wealth of materials and resources to promote healthy eating to students and their families—from eye-catching cafeteria posters and non-food reward kits to take-home flyers and nutritious recipes. To request materials online, go to www.squaremeals.org and click on the tab "Resources and to Order Materials" to access the online ordering page.
