Dear Parents:

We want to welcome you to Galena Park High School. I have been the school nurse at Galena Park High for 19 years. Mrs. Jones is our Campus Medical assistant and this is her 5th year with GPHS. Together, we are here to assist with your child's health needs and to promote their well-being. We look forward to helping your child stay healthy and safe every school year. We are also here to serve parent's and their families. We can be reached at the number or email address above. Please review some of the clinic guidelines and helpful tips.

Wishing everyone a Safe and Healthy school year!

From Nurse Garza and Mrs. Jones
