Unit Test

Upcoming News/Units

Math:

We will be focusing on classifying shapes and solids, area of decomposed figures, measurement of time, capacity, weight, and mass, and data analysis.

Science:

We are studying force and motion, gravity, magnetism, weather around the world, and characteristics of the sun.

Language Arts:

We are describing how the author's use of imagery, literal and figurative language such as similes, and sound devices such as onomatopoeia achieves specific purposes. Discussing how the author's use of language contributes to voice.
