### Upcoming News/Units

- **Math:**  
We will be focusing on patterns and equations. Please help your child practice these lessons through their homework. Homework is sent home every Friday and collected the following Friday.
- **Science:**  
We are studying ecosystems. **Observe** and **describe** the physical characteristics of environments and how they support populations and communities within an ecosystem
- **Social Studies:**  
We compare ways in which people in the local community and other communities meet their needs for government, education, communication, transportation, and recreation
- **Reading/Language Arts:**  
Recognize characteristics and structures of argumentative text by: identifying the claim;(ii) Recognize characteristics and structures of argumentative text by: distinguishing facts from opinion; and(iii) Recognize characteristics and structures of argumentative text by: identifying the intended audience or reader;

3<sup>rd</sup> Grade Team  
Tice Elementary School  
14120 Wallisville Rd.

**Please make sure that your child is reading daily for at least 30 minutes including the weekends. Let's help build our student's fluency and comprehension.**
