Upcoming News/Units

Math:

We will be focusing on measurement (capacity, weight, and mass), area of decomposed figures and personal financial literacy. We will also start reviewing for STAAR. Please help your child practice these lessons through their homework. Homework is sent home every Friday and collected the following Friday.

Science:

We will be focusing on soil and rapid changes to Earth's surface.

Social Studies:

We will compare ways in which people in the local community and other communities meet their needs for government, education, communication, transportation, and recreation (7B) identify local, state, and national government officials and explain how they are chosen

Reading/Language Arts:

We will continue to cover multiple genres and apply metacognitive skills to our thinking about our reading.

Parents, please help with the homework being returned complete. It is always due on Friday

We are working daily to strengthen our reading objective skills and improve our reading comprehension for STAAR Testing and becoming life long readers

3rd Grade Team
Tice Elementary School
14120 Wallisville Rd.

Please make sure that your child is reading daily for at least 30 minutes including the weekends. Let's help build our student's fluency and comprehension.
