**CIS Mission:** We surround students with a community of support, empowering them to stay in school and achieve in life.

CIS believes that every child deserves the Five Basics to succeed academically and beyond.

**The Five Basic Principles of CIS are:**

1. A one-on-one relationship with a caring adult,
2. A safe place to learn and grow,
3. A healthy start and a healthy future,
4. A marketable skill to use upon graduation,
5. A chance to give back to peers and the community.

Because CIS believes in the power of relationships.

We provide on-campus integrated student support that empowers students to succeed in school and achieve in life.
