## ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

### 1.1: Comprehensive Needs Assessment

The Comprehensive Needs Assessment was conducted in May of 2020. Once the results were received, the data was desegregated by the campus support team to set goals for next year.

## ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

### 2.1: Campus Improvement Plan developed with appropriate stakeholders

The CIP was developed with appropriate stakeholders in May 2020. The entire staff was involved with the CNA and the parents/community had input in their survey too.

### 2.2: Regular monitoring and revision

The CIP will be reviewed and monitored quarterly. Each quarter the plan will be reviewed the CPAC community and adjusted will be made in Plan4Learning.com. We will meet on-

Sept. 17, 2020

### 2.3: Available to parents and community in an understandable format and language

The CIP will be available on the campus website and through the district website. A hard copy can be found in the school office. The document can be provided in English or Spanish. Each member of CPAC will also have access to the plan electronically and paperbased.

### 2.4: Opportunities for all children to meet State standards

At Woodland Acres Elementary, we care about the whole child and each child. With that said, there are various components to our plan that will help us support all children in meeting state standards. Some strategies will include-

1- Access to appropriate material/resources

- 2- Team planning/PLC meetings to ensure consistency across grade levels and within grade levels
- 3- Early interventions
- 4- Remediation such as tutorials and in-class support
- 5- Training and coaching for teachers

## **2.5: Increased learning time and well-rounded education**

Our students will be taught by certified staff members virtually or face to face. (Depends on parents' choice)

Regardless of the decision, all students will-

- 1) Have access to the grade level appropriate curriculum and resources
- 2) Be monitored and will receive feedback from their teachers.
- 3) Be assessed and evaluated to determine additional interventions and support.
- 4) By the first semester, all students will have a device checked out to them.

## **2.6: Address needs of all students, particularly at-risk**

The needs of all students will be addressed via appropriate measures and indicators. Some examples of when students' needs will be address occur during ARD/IEP meetings, 504 meetings, LPAC meetings, RTI meetings, data desegregation meetings and student conferencing.

# **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

## **3.1: Develop and distribute Parent and Family Engagement Policy**

The Parent and Family Engagement Policy is presented and discussed yearly at our CPAC meeting. This policy is then distributed to parents during the first nine weeks' parent conference. The document is available in English and Spanish.

## **3.2: Offer flexible number of parent involvement meetings**

Various parent meetings are held throughout the year. in our Large Group Instruction Room, Gymnasium or Computer Labs. Parent involvement meetings occur in the mornings, afternoons and by appointment, as needed. The dates for our 2020-2021 school year are yet to be determined.
