Galena Park Independent School District
in partnership with Arch Staffing and Consulting

COVID-19 TESTING ~~FREE~~

FOR GALENA PARK ISD STAFF & STUDENTS

★ **APPOINTMENTS**

Not necessary,
but recommended.

to schedule:

https://galenaparkisd
covidtesting.as.me/sc
hedule.php

Location

Address: 14705 Woodforest Blvd. (GPISD Admin. Building main parking area)

Enter the main parking area directly in front of the GPISD Administration Building using the Woodforest entrance (across from Kroger) and follow the signs directing you to the line for testing .

Before you arrive...

• Insurance is NOT required to receive a COVID-19 test. However, if you have insurance, please make a copy of your ID and insurance card to bring with you.
• If you can't make a copy, you can email a picture of your ID and insurance card (if you have insurance) to: galenaparkisdtech@outlook.com .

When you arrive...

• Please stay in your vehicle. A medical professional will come out to you.
• The tech will ask for your name and email address. A link with the Patient Registration form will be emailed to you. Please fill out the form using your smart device (phone, tablet, etc.).
If not, a paper copy will be given to you.
• The tech will collect your ID and Insurance card. If you don't have insurance, only your ID will be collected.
• The tech will perform two nasal swabs (one Rapid and one PCR) and return to the building to test the samples collected.
• The tech will notate the rapid test result on your form and return it to you.
• Results will be sent to you via phone/text or email. The target response time for PCR results is 72 hours. However, response time may be longer due to increasing demand for testing. We do not advise relying on this service for travel purposes due to variability in response time for results.

What to expect after testing...

• If you have insurance, the lab will submit a claim to your insurance company. You will receive an Explanation of Benefits from your insurance carrier. **This is not a bill.** There will be no balance billing, copays, deductibles, etc. due by the patient or Galena Park ISD.

• If you do not have insurance, the lab will submit a claim to the government COVID Relief Fund. There will be no balance billing, copays, deductibles, etc. due by the patient or Galena Park ISD.
