

Galena Park Independent School District
Cunningham Middle School
2024-2025 Campus Improvement Plan

Board Approval Date: August 12, 2024

Mission Statement

“To provide students with a safe, student-centered instructional environment, characterized by rigorous, college/career-focused experiences that support life-long learning, critical thinking, and empowered leadership.”

Vision

W. C. Cunningham will be an academic center that strives to develop students with the skills, knowledge, and core values to lead and influence their communities.

Campus Profile

History of Campus and Important Changes

Located in the heart of the North Channel area in Greater East Harris County, along the magnificent Houston Ship Channel, and just 15 minutes away from downtown Houston, Texas, is W.C. Cunningham Middle School. In 1979, G.P.I.S.D. formulated plans for a new middle school and construction began. W. C. Cunningham Middle School opened on the 29th of August 1982.

With pride, the school was named after a former G.P.I.S.D. superintendent, Mr. W. C. Cunningham. Mr. Cunningham was known not only in the field of education, but also as an oilman. His relationship with the oil fields of West Texas and Oklahoma gained him the nickname of Wildcatter. When the school was looking for an appropriate mascot, there was only one animal of choice—the Wildcat. Thus, we became the Cunningham Winning Wildcats.

In 1992, a new gym and 28 classrooms were added. In 2012 a major renovation project was completed.

Cunningham enjoys a strong tradition of academic excellence. In 1998 CMS was the first secondary school in Galena Park ISD to earn the “Exemplary” rating from TEA.” The school repeated this honor in 2001 and 2009. Additionally, it achieved a “Recognized” rating in 1999, 2002, 2003, 2006, 2008, 2009, and 2011. The campus met Adequate Yearly Progress in 2008, 2009, 2010, and 2011. From 2015-2019, The campus achieved a "Met Standard" rating on the TEA Accountability Index. Our student teams and organizations frequently achieve top honors in competition and are known for their quality programs.

The Cunningham Title I program provides for parent involvement activities, extended day tutorials in core subject areas, supplemental Saturday School Program, and Saturday School Tutorials, supplemental retired-teacher social studies support, and a supplemental social students teacher. Title I provides 3 Secondary Instructional Specialists for our campus; Math, ELAR, and Science.

Our State Compensatory Program (SCE) consists of a STAAR preparation Saturdays, weekly tutorials, and Saturday School sessions for content areas, a Technology Instructional Specialist, and an intervention Math/ELAR teacher. ESL teachers and classroom support are provided. Through CTE, CMS offers our students classes in Career Portals – Humanities, Data Entry, and Digital Design.

Over the past several years, the school has worked hard to improve in every content area through developing relationships with all stakeholders and providing more rigorous instruction that reflects in our student activities and testing results.

We believe in building relationships with students, staff, and parents. We also believe that our continued success can be attributed to our increasing parental involvement.

To address the needs of special education students, our campus incorporates a collaborative teaching model (co-teaching), which allows a certified Special Education teacher to work collaboratively and side-by-side with a general education teacher. Co-teachers work exclusively with one specific content area. This teaching model has helped students close academic gaps and make adequate academic gains.

Intervention classes, known as Reading Plus, Math Plus, and Writing Plus were added to each grade level for students who failed one or both portions of the math or reading state assessments the previous year. The purpose of these classes is to help students receive accelerated instruction in the areas of need, resulting in academic success on the 8th-grade Student Success Initiative requirements, and 7th-grade STAAR Exams.

We provide Saturday school tutorials throughout the school year as remediation for students who failed or were at risk of failing a core subject during the previous nine weeks. These Saturday School Tutorials were created to help At-Risk students receive additional instruction throughout the year and obtain a passing grade in the core subject area(s) failed. We provided specialized pull-outs for each content area as well and collaborated with district specialists to help create engaging lessons. This resulted in innovative small group instruction.

Implemented in the 2018 - 2019 school year, all 8th-grade students are required to take a college and career readiness course (CCR).

Implemented in the 2019-2020 school year, all 7th-grade students are required to take a class supplemental to ELAR called ThinkTank.

Where We Are Now:

Current Principal - Dr. Shaunte Morris

WC Cunningham Middle School (CMS) is one of twenty-six campuses in Galena Park Independent School District. CMS opened its doors in 1982 and serves predominantly African American and Hispanic, low socioeconomic families. CMS currently serves 992 students in grades 7 and 8. Our projected scheduling plan for the 2024-2025 academic year will be built around a traditional schedule (Eight 45 minute classes daily, with the exception of 7th grade math which will be 90 minutes daily). Students in each grade level will be divided into three-four “core-area” teams. Each team includes core teachers who work together to ensure the success of the students on their teams.

We look forward to a year focused on leading our students to success as we prepare them to become life-long learners and influential leaders.

Demographics

Demographics Summary

Cunningham Middle School opened on the 29th of August 1982 to serve students in grades six through eight; since 2000, the campus has served seventh and eighth-grade students in the Galena Park Independent School District. Our personnel is comprised of certified professionals who serve a diverse student population through a multitude of educational programs. Cunningham Middle School's total student enrollment is 986. Our campus enrollment by race/ethnicity and group is as follows:

Student Enrollment by Race/Ethnicity

- African American 32.8%
- Asian .2%
- Hispanic 61.4%
- American Indian 0.2%
- Pacific Islander 0.0%
- Two or More Races 1.6%
- White 3.8%

Student Enrollment by Group

- Economically Disadvantaged 86.7%
- EB Students/EL 26.9%
- Students Receiving Special Education Services 10.3%

Cunningham Middle School staff and teachers are as follows:

- Number of Full-Time Staff 82.6
- Number of Full-Time Teachers 66

The student mobility rate at Cunningham Middle School is 12.4%. **The overall attendance rate is 93.1%.**

Demographics Strengths

Cunningham Middle School enjoys the following demographic strengths:

- Diverse and culturally competent staff
- Special programs (GT, CTE, SPED, Fine Arts, Athletics, Bilingual/ESL) are in alignment with the philosophy and beliefs of our teachers and administrators
- Active PTA

Problem Statements Identifying Demographics Needs

Problem Statement 1: Social emotional learning competencies are lacking in students which causes disciplinary and culture issues. **Root Cause:** Students are not buying into the current social emotional learning practices.

Student Learning

Student Learning Summary

STAAR Spring 2024

Student Learning Strengths

Teachers use expert instructional delivery, administering ongoing assessments and providing needed interventions.

Teachers plan interventions for students based on their needs. Interventions are flexible and changed based on student needs.

Teachers are employing the DDI process and the use of data to improve lesson planning and instructional delivery.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: There needs to be improved consistency among instructional practices specifically with continuing implementation of Kagan and fundamental five practices, employing cross-curricular strategies to derive at correct responses, and the use of individualized content exemplar will increase the areas of meets and masters scores. **Root Cause:** There is a not a consistency of instructional practices across content areas.

School Processes & Programs

School Processes & Programs Summary

- Special Education
- ESL
- Pre-AP
- College & Career Readiness
- LOTC
- Extra-Curricular Activities
- Communities In Schools

School Processes & Programs Strengths

Principal advisory with students, getting students' feedback, diverse group of students.

Wildcat Warriors reaching the unreachable students and making a difference.

Student organizations as a whole do well with keeping our students grounded and building strong character

F.L.I.T.E. TEAM (Fearless Leaders Impacting Today's Education) builds leadership capacity

Pre-Math students are currently taking the Pre-ACT exam before High school

DDI Process has helped to see the weakest TEKS, which has allowed us to work with students and misconceptions

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Students are not prepared for college and trade or other career opportunities. **Root Cause:** 7th & 8th grade college and career curriculum writing does not incorporate opportunities for students to learn more about preparing for college and financial aid.

Problem Statement 2: Students are not showing written evidence of learning **Root Cause:** 7th & 8th grade students are not using interactive notebooks or some form of journaling on paper across all content areas

Perceptions

Perceptions Summary

Cunningham Middle School is a diverse campus with a family environment that employs over 50% veteran teachers who strive daily to meet the needs of its students in a variety of ways, including extracurricular activities, targeted subject-area tutorials, community outreach, and college and career-focused instruction. CMS is perceived to have strong academics and new teachers feel supported by the New Teacher Mentor Program. Teacher and student attendance incentive programs at CMS are effective. We have a high focus on college and career readiness and we take pride in utilizing various outreach and inclusion programs to meet students' social, physical, and academic needs.

Perceptions Strengths

- CMS staff build good relationships with students, which causes good student interaction
- CMS hosts events that build relationships between students and staff, which allows students to see us outside of the classroom
- CMS provides food to the community with constant Paw Pantry distributions. (Partnered with Houston Food Bank)
- CMS provides a safe and positive learning environment for all students
- CMS is strongly committed to effective parental communication
- Teachers have the opportunity to be involved in campus level-decision making
- CMS reaches out to ALL students of every demographic group
- CMS uses various modes of communication with parents

Problem Statements Identifying Perceptions Needs

Problem Statement 1: CMS parents/guardians need continuous training and support in our various technology platforms. **Root Cause:** Parents lack of confidence in technology.

Priority Problem Statements

Goals

Goal 1: Mental, Physical, and Emotional Safety and Health for all Students and Staff

Performance Objective 1: Teach safety practices and protocols to 100% of students and staff

Strategy 1 Details	Reviews			
Strategy 1: Teach Standard Response Protocols to 100% of students and staff Strategy's Expected Result/Impact: All students and staff will know the Standard Protocols for responding to emergencies; Hold, Lockdown, Secure, Shelter-in-place, Evacuation	Formative			Summative
	Sept	Dec	Feb	May
<div><div><div><div>0%</div><div>No Progress</div></div><div><div>100%</div><div>Accomplished</div></div><div><div>→</div><div>Continue/Modify</div></div><div><div>✖</div><div>Discontinue</div></div></div></div>				

Goal 1: Mental, Physical, and Emotional Safety and Health for all Students and Staff

Performance Objective 2: Implement an effective student discipline management plan to reduce discipline incident rates and maintain compliance with state and federal requirements

Strategy 1 Details	Reviews			
Strategy 1: Maintain consistency when administering disciplinary consequences. Strategy's Expected Result/Impact: Improved survey results, in regards to staff perspective of consistent discipline consequences. Staff Responsible for Monitoring: Administrators	Formative			Summative
	Sept	Dec	Feb	May
Strategy 2 Details	Reviews			
Strategy 2: Look at student's disciplinary data for type and number of infractions. Strategy's Expected Result/Impact: Improve school culture survey results in regards to fairness and equality. Staff Responsible for Monitoring: Administrators	Formative			Summative
	Sept	Dec	Feb	May
Strategy 3 Details	Reviews			
Strategy 3: Share data with other administrators and staff to foster conversations about bias and privilege. Strategy's Expected Result/Impact: Improved survey results, in regards to staff perspective of consistent discipline consequences and improve school culture survey results in regards to fairness and equality. Staff Responsible for Monitoring: Administrators ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture	Formative			Summative
	Sept	Dec	Feb	May
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 1: Mental, Physical, and Emotional Safety and Health for all Students and Staff

Performance Objective 3: Maintain a healthy environment so staff and students thrive and are productive

Strategy 1 Details	Reviews			
Strategy 1: Student Nutrition Services will continue to provide healthy, nutritious meals that will follow the Department of Agriculture's nutritional guidelines. Strategy's Expected Result/Impact: At least 60% participation for breakfast Staff Responsible for Monitoring: Assistant principal for operations	Formative			Summative
	Sept	Dec	Feb	May
Strategy 2 Details	Reviews			
Strategy 2: Custodial Services will provide sanitation processes that match hospital-grade procedures when appropriate and consistent with CDC guidelines. Strategy's Expected Result/Impact: To reduce exposure to COVID-19 and other illnesses. Staff Responsible for Monitoring: Assistant principal for operations	Formative			Summative
	Sept	Dec	Feb	May
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 1: Mental, Physical, and Emotional Safety and Health for all Students and Staff

Performance Objective 4: All campuses will provide social and emotional support through various programs

Strategy 1 Details	Reviews			
Strategy 1: Organize SEL lessons during zero period. Strategy's Expected Result/Impact: Friendly, inclusive and inviting school climate Staff Responsible for Monitoring: SEL coordinator Principal	Formative			Summative
	Sept	Dec	Feb	May
<div><div><div>0%</div>No Progress</div><div><div>100%</div>Accomplished</div><div><div>→</div>Continue/Modify</div><div><div>✖</div>Discontinue</div></div>				

Goal 2: Student Achievement and Post-Secondary Readiness

Performance Objective 1: Increase the number of students who graduate college-ready in English and Math

Strategy 1 Details	Reviews			
Strategy 1: Ensure all students are enrolled in college and career readiness classes CCR (8th grade) or Think Tank (7th grade). Strategy's Expected Result/Impact: Improve TSIA participation and scores Staff Responsible for Monitoring: Assistant principal for Curriculum and Instruction	Formative			Summative
	Sept	Dec	Feb	May
<div><div><div><div></div><div>0%</div></div>No Progress</div><div><div><div></div><div>100%</div></div>Accomplished</div><div><div><div></div></div>Continue/Modify</div><div><div><div></div></div>Discontinue</div></div>				

Goal 2: Student Achievement and Post-Secondary Readiness

Performance Objective 2: Increase the number of students who graduate with an Associate's Degree or a Certificate of Technology

Strategy 1 Details	Reviews			
Strategy 1: Maintain compliance with the McKinney-Vento Act Strategy's Expected Result/Impact: Increase student achievement and to be in compliance Staff Responsible for Monitoring: McKinney-Vento Assistant principal	Formative			Summative
	Sept	Dec	Feb	May
Strategy 2 Details	Reviews			
Strategy 2: Coordinate CTE and ECHS assemblies to encourage student participation Strategy's Expected Result/Impact: 90% of 8th graders attend virtual or in-person open house at ECHS Staff Responsible for Monitoring: 8th Grade Assistant Principal 8th Grade Counselor	Formative			Summative
	Sept	Dec	Feb	May
<div><div><div>0%</div>No Progress</div><div><div>100%</div>Accomplished</div><div><div>→</div>Continue/Modify</div><div><div>✖</div>Discontinue</div></div>				

Goal 2: Student Achievement and Post-Secondary Readiness

Performance Objective 3: Improve state test scores in all categories

Strategy 1 Details	Reviews			
Strategy 1: Implement research-based strategies for all content areas, with the goal of enhancing our instruction to mirror real-world scenarios, so that student learning will continually improve based on a score of 50% or higher on assessments. Strategy's Expected Result/Impact: Increase student performance Staff Responsible for Monitoring: Teacher	Formative			Summative
	Sept	Dec	Feb	May
Strategy 2 Details	Reviews			
Strategy 2: Provide training to all teachers that work with special education students in a coteach setting for the purpose of increasing special education performance in the areas of meets and growth on STAAR. Strategy's Expected Result/Impact: Improve special education student performance on assessments Staff Responsible for Monitoring: teacher of record and co-teacher Targeted Support Strategy - Additional Targeted Support Strategy	Formative			Summative
	Sept	Dec	Feb	May
Strategy 3 Details	Reviews			
Strategy 3: Provide teachers with a sufficient amount of time to plan (e.g. common planning time/PLC). Strategy's Expected Result/Impact: Student centered plans developed to increase student achievement Staff Responsible for Monitoring: teachers ESF Levers: Lever 5: Effective Instruction - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability	Formative			Summative
	Sept	Dec	Feb	May
Strategy 4 Details	Reviews			
Strategy 4: Use data driven decision making to drive instruction Strategy's Expected Result/Impact: Increase in meets and masters performance ESF Levers: Lever 5: Effective Instruction - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability	Formative			Summative
	Sept	Dec	Feb	May

Strategy 5 Details	Reviews			
Strategy 5: Campus instructional leaders use consistent written protocols and processes to lead their department, grade level teams, or other areas of responsibility. Strategy's Expected Result/Impact: Lead team members use agendas and tracking tools for their instructional responsibilities including observation/ feedback cycles, PLCs, and data meetings. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 1: Strong School Leadership and Planning	Formative			Summative
	Sept	Dec	Feb	May
Strategy 6 Details	Reviews			
Strategy 6: Campus practices and policies demonstrate high expectations and shared ownership for student success, with a drive toward college and career readiness and postsecondary success. Strategy's Expected Result/Impact: Artifacts in the classrooms and hallways reference practices and policies. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 3: Positive School Culture	Formative			Summative
	Sept	Dec	Feb	May
Strategy 7 Details	Reviews			
Strategy 7: Campus instructional leaders frequently review how teachers internalize, modify and use lesson plans, providing feedback and lesson planning support regarding alignment to scope and sequence, the standards, and the expected level of rigor Strategy's Expected Result/Impact: Feedback evaluates alignment between the lesson objective, activities, standards, scope and sequence, and expected level of rigor. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team)	Formative			Summative
	Sept	Dec	Feb	May
Strategy 8 Details	Reviews			
Strategy 8: Campus instructional leaders provide training and ongoing support so that teachers implement best practices for establishing and maintaining a strong classroom culture, including setting behavioral expectations, establishing routines and procedures that maximize instructional time, and building strong relationships. Strategy's Expected Result/Impact: Teachers build strong relationships with students through a variety of means, including establishing high expectations for all students, using encouraging and affirming tone and language, and implementing restorative practices. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Sept	Dec	Feb	May

Strategy 9 Details	Reviews			
Strategy 9: Campus instructional leaders provide training and ongoing support so that teachers effectively use high-quality instructional materials and research-based teaching practices that promote critical-thinking skills and include differentiated and scaffolded support for student with disabilities, English learners, and other student groups. Strategy's Expected Result/Impact: Teachers and campus leaders use a framework for instruction, including instructional materials use, that contains high-leverage practices. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Sept	Dec	Feb	May
Strategy 10 Details	Reviews			
Strategy 10: Campus instructional leaders ensure teachers are adapting instruction and materials to allow students to see the relevance between rigorous content and their lived experiences. Strategy's Expected Result/Impact: Campus-wide expectations and procedures ensure that classroom rituals and routines, instructional activities, physical space, and social environment validate multiple experiences and perspectives. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Sept	Dec	Feb	May
Strategy 11 Details	Reviews			
Strategy 11: Campus instructional leaders review disaggregated data to track and monitor progress of all students and provide evidence-based feedback to teachers. Strategy's Expected Result/Impact: Coaching and support of teachers is informed by data, including an analysis of student work samples to assess curricular rigor and the impact of instruction. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Sept	Dec	Feb	May

Strategy 12 Details	Reviews			
Strategy 12: Teachers use a corrective action planning process (TIL/DDI) individually and in PLCs to analyze student work, identify trends in student misconceptions, determine the root cause as to why students may not have learned the concept, and create plans for instructional adjustments. Strategy's Expected Result/Impact: Unpack Standard and Create Exemplar Identify Gap Plan the Reteach Practice the Reteach Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Sept	Dec	Feb	May
Strategy 13 Details	Reviews			
Strategy 13: Teachers (with content and grade-level teams whenever possible) have protected time built into the master schedule to meet frequently and regularly for in-depth conversations about formative and interim student data, effective instructional strategies, and possible adjustments to instructional delivery focused on meeting the needs of both struggling learners and learners needing acceleration. Strategy's Expected Result/Impact: Master schedule includes regular times for teams to meet. Staff Responsible for Monitoring: Assistant Principal for Master Schedule ESF Levers: Lever 5: Effective Instruction	Formative			Summative
	Sept	Dec	Feb	May
Strategy 14 Details	Reviews			
Strategy 14: Student progress toward measurable goals is visible in every classroom and throughout the school to foster student ownership and goal setting. Strategy's Expected Result/Impact: All classrooms include at least one visible student progress tracking artifact, which is regularly updated. Student incentives will be offered to students who meet their own personal goals and attend after school/Saturday tutorials. Staff Responsible for Monitoring: Campus CAST (Campus Accountability and Support Team) ESF Levers: Lever 5: Effective Instruction Funding Sources: Student incentives to promote student growth - 199 - Local - \$3,500	Formative			Summative
	Sept	Dec	Feb	May

Goal 6: Parent and Community Engagement

Performance Objective 1: Provide programs that increase parent knowledge as well as give parents and the community an opportunity to engage with the school.

Strategy 1 Details	Reviews			
Strategy 1: Provide checklist or pamphlet that explains what engagement means to parents and ways to engage. Strategy's Expected Result/Impact: Increase in parental and community engagement with campus Staff Responsible for Monitoring: Administrators and PEIMS Specialist	Formative			Summative
	Sept	Dec	Feb	May
Strategy 2 Details	Reviews			
Strategy 2: Parent survey that addresses the days and times for the campus to reach out to parents for meetings and trainings Strategy's Expected Result/Impact: Increase in engagement of parents with campus Staff Responsible for Monitoring: Adminstrators and PEIMS Specialist	Formative			Summative
	Sept	Dec	Feb	May
Strategy 3 Details	Reviews			
Strategy 3: Monthly updates for parents on opportunities to engage and volunteer on campus Strategy's Expected Result/Impact: Increase in parent involment on camppus Staff Responsible for Monitoring: Administrators and teachers	Formative			Summative
	Sept	Dec	Feb	May
Strategy 4 Details	Reviews			
Strategy 4: Parent technology tranings that will train parents on technology such as Skyward, Google Classroom etc. Staff Responsible for Monitoring: Teachers, Administrators, Digital Learning & Assessment Coordinator (DLAC) (Spanish & English Sessions)	Formative			Summative
	Sept	Dec	Feb	May
Strategy 5 Details	Reviews			
Strategy 5: Send the (parent friendly) link for parents to volunteer on campus to all parents at the beginning of the year as a part of the registration process. Staff Responsible for Monitoring: Administrators PEIMS Specialist	Formative			Summative
	Sept	Dec	Feb	May

Strategy 6 Details	Reviews			
Strategy 6: Parent to Parent section on social Media and Website where parents are interviewed and can engage with each other about their experiences. Staff Responsible for Monitoring: Administrators and Counselors	Formative			Summative

RDA Strategies

Goal	Objective	Strategy	Description
2	3	3	Provide teachers with a sufficient amount of time to plan (e.g. common planning time/PLC).
2	3	4	Use data driven decision making to drive instruction

Targeted Support Strategies

Goal	Objective	Strategy	Description
2	3	2	Provide training to all teachers that work with special education students in a coteach setting for the purpose of increasing special education performance in the areas of meets and growth on STAAR.
2	3	3	Provide teachers with a sufficient amount of time to plan (e.g. common planning time/PLC).
2	3	4	Use data driven decision making to drive instruction

Additional Targeted Support Strategies

Goal	Objective	Strategy	Description
2	3	2	Provide training to all teachers that work with special education students in a coteach setting for the purpose of increasing special education performance in the areas of meets and growth on STAAR.
2	3	3	Provide teachers with a sufficient amount of time to plan (e.g. common planning time/PLC).
2	3	4	Use data driven decision making to drive instruction

Title I

1.1: Comprehensive Needs Assessment

The CMS CPAC committee met February 26, 2024 to review recent accountability reports (i.e., Federal Report Card, School Report Card, TAPR (Texas Academic Performance Report, etc.) to evaluate campus strengths, concerns, and weaknesses.

The CNA process at Cunningham Middle School involves all staff members. All staff members are required to join one of four committees. Four committees were established and met individually. The staff broke out into groups and each subcommittee reviewed the data (parent, student, and teacher surveys, STAAR results, attendance data, discipline data, schedules). Each team listed strengths and concerns/weaknesses. We discussed each concern/weakness and deleted any items that were out of campus control and focused on one or two that we could make our goals for the upcoming school year. Each team then wrote a problem statement and identified root causes.

2.1: Campus Improvement Plan developed with appropriate stakeholders

The campus improvement plan was developed with subcommittees of teachers, paraprofessionals and administrators.

2.2: Regular monitoring and revision

CPAC meeting dates are **September 16, 2024, October 21, 2024, December 9, 2024, February 25, 2025, and April 14, 2025**, to review monitor and revise the CIP.

2.3: Available to parents and community in an understandable format and language

A copy of our Campus Improvement Plan will be available in our front office, the monthly newsletter (Wildcat Word), and posted on our school's web page. It will be provided in Spanish and English. Parents will be sent a mass communication via text and email of how to access the document.

2.4: Opportunities for all children to meet State standards

All students will have the opportunity to meet state standards through whole group instruction, small group interventions, tutorials, differentiated instruction, and TEKS focused high-quality instruction. The Cunningham Title I program provides for parent involvement activities, extended day tutorials in core subject areas, Saturday School Tutorials, supplemental retired-teachers' support, and college tutors. Title I provides 3 Secondary Instructional Specialists for our campus; Math, ELAR and Science. Our State Compensatory Program (SCE) consists of a STAAR preparation Saturdays, weekly tutorials, and Saturday School sessions for content areas, a Technology Instructional Specialist, and an intervention Math/ELAR teacher. ESL teachers and classroom support are provided. Through CTE, CMS offers our students classes in Career Portals – Humanities, Principals of Manufacturing, Video Game Design, and Digital Design. Over the past several years, the

school has worked hard to improve in every content area through developing relationships with all stakeholders, and providing more rigorous instruction that reflects in our student activities and testing results. We believe in building relationships with students, staff, and parents. We also believe that our continued success can be attributed to our S.T.E.P.S. (Social Emotional Learning Program). To address the needs of special education students, our campus incorporates a collaborative teaching model (co-teaching), which allows a certified Special Education teacher to work collaboratively and side-by-side with a general education teacher. Co-teachers work exclusively with one specific content area. This teaching model has helped students close academic gaps and make adequate academic gains. We provide Saturday school tutorials throughout the school year as remediation for students who failed or were at risk of failing a core subject during the previous nine weeks. These Saturday School Tutorials were created to help At Risk students receive additional instruction throughout the year and obtain a passing grade in the core subject area(s) failed. We provided specialized pull-outs for each content area as well and collaborated with district specialists to help create engaging lessons. This resulted in innovative small group instruction. All 8th grade students are required to take a college and career readiness course (CCR). All 7th grade students are required to take a class supplemental to ELAR called ThinkTank. Our teachers have been trained extensively on guided reading, small group instruction and data driven instruction. We also provide student tutorials for those identified at -risk; our dyslexia teacher provides dyslexic services for those identified in need. Our campus instructional coaches provide intervention support to teachers as well as to students throughout the year. Our school counselors provide students emotional support and guidance whenever needed.

2.5: Increased learning time and well-rounded education

Cunningham Middle School teachers use Galena Park ISD's curriculum in the classroom. The district curriculum is aligned to the state standards. All teachers have 45-50 minutes of uninterrupted instruction, with the same group of students, every day. District-created assessments and released STAAR tests are used to measure student progress throughout the school year. Data is used from an array of assessments to determine classroom instruction and student interventions. Struggling students are identified and tracked by the campus RTI (MTSS) team.

Each classroom is equipped with an interactive panel, projector, and document camera.

Our programs that help serve our special populations are Special Education, ESL and Pre-AP.

The dyslexia teacher services students by using the Reading By Design program. Professional development activities include, but are not limited to, Region 4 Dyslexia trainings, online webinars, and/or attending district-level meetings for dyslexia interventionists/teachers.

2.6: Address needs of all students, particularly at-risk

To address the needs of special education students, our campus incorporates a collaborative teaching model (co-teaching), which allows a certified Special Education teacher to work collaboratively and side-by-side with a general education teacher. Co-teachers work exclusively with one specific content area. This teaching model has helped students close academic gaps and make adequate academic gains. We provide Saturday school tutorials throughout the school year as remediation for students who failed or were at risk of failing a core subject during the previous nine weeks. These Saturday School Tutorials were created to help At Risk students receive additional instruction throughout the year and obtain a passing grade in the core subject area(s) failed. We provided specialized pull-outs for each content area as well and collaborated with district specialists to help create engaging lessons. This resulted in innovative small group instruction. We also provide student tutorials for those identified at -risk; our dyslexia teacher provides dyslexic services for those identified in need. Our campus instructional coaches provide intervention support to teachers as well as to students throughout the year. Our school counselors provide students emotional support and guidance whenever needed. We utilize homegrown students, retired teachers, and college tutors to assist with at-risk students as an extra layer of support.

3.1: Annually evaluate the schoolwide plan

The CMS CPAC meets at least 5 times per year. During the 2024-2025 school, the committee will meet **September 16, 2024, October 21, 2024, December 9, 2024, February 25, 2025, and April 14, 2025**

The school wide plan is also evaluated quarterly during campus data meetings, faculty meetings and administrator meetings.

The entire campus meets as a whole annually, typically at the end of March, to begin the CNA process and to evaluate the campus improvement plan to determine if the plan has been effective in addressing the major problem areas.

4.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Policy will be reviewed and revised by the Parent and Family Engagement Committee.

Name	Role
Dr. Morris	Principal
Mrs. Newsome	Assistant Principal
Dr. Glynn	Counselor
Ms. Garcia	Counselor
Mrs. Kimberly Lane	Parent

The Parent Engagement Policy will be distributed electronically via email, will be included in our front office, monthly newsletter (Wildcat Word) and on our website in both English and Spanish. The policy will be reviewed and updated throughout the year.

4.2: Offer flexible number of parent involvement meetings

Parent family engagement meetings and activities will be offered throughout the year on the campus. The PFE committee will meet monthly. Below are tentative meetings/activities scheduled for parents:

- POM (Parent on the Move) Volunteer Meeting
- Title I Annual Meeting
- STAAR Parent Informational Meeting
- Open House /School Parent Compact
- Fathers take your children to school
- Parent conferences (Varies)
- Father - Daughter Dance
- Mother - Son Brunch
- Grandparents Breakfast
- Winter Wonderland
- Multicultural Festival

Campus Funding Summary

199 - Local					
Goal	Objective	Strategy	Resources Needed	Account Code	Amount
2	3	14	Student incentives to promote student growth		\$3,500.00
Sub-Total					\$3,500.00
