

I'm My Own Best Friend

**I'm good enough;
I don't care what you say.
I'm proud of what
I accomplished today.**

**Maybe I didn't win
Or even place,
But I tried really hard
And finished the race.**

**I set a personal best,
Which makes me feel good.
I did much better
Than I thought I could.**

**Why do you criticize
And try to make me feel small?
Does it make you feel better
When I stumble and fall?**

**Well, I'm here to tell you
That I won't let your words hurt.
Because when I fall,
I'll just pick myself up from the dirt.**

**And I'll keep on fighting
Until the end,
With a cheerleader in my corner,
Because I'm my own best friend.**

**So unless you have something
Positive to say,
I suggest you keep your mouth shut
And just go away.**

**Because my best friend and I
Are about to celebrate;
And we can do without you
Or your small - minded hate.**
