

Campus Wellness Plan

2020-2021

*Due to the Covid-19 Pandemic, all guidelines are enforced to maintain the health of all students and staff, while preventing the spread of germs.

North Shore Middle School

Federal Public Law (PL 108.265 Section 204) states all school districts must develop a local wellness policy which involves students, parents, a representative from the School Food Authority, school board, school administrators, and the public. The Local Education Authority (LEA) will establish a plan for measuring implementation of local wellness policy.

Mission Statement

Galena Park I.S.D implements a comprehensive wellness plan that encourages healthy eating, along with physical activity to reduce childhood obesity while preparing students to become healthy productive citizens and lifelong learners. At the campus level, we will work hard to encourage a healthy lifestyle that incorporates physical fitness, good eating habits, and a motivating self-image.

Nutrition Education

- ➔ Staff members will be involved in nutritional education
- ➔ Fitness gram and CATCH programs to be used in Physical Education, Nutrition and Health.
- ➔ Students will be encouraged to eat before or at school, have lunch, consume healthy snacks, participate in physical activity.

Physical Education

- ➔ Physical Activity will not be used as a punishment (e.g. running laps or pushups).
- ➔ Physical education teachers and parents will be involved to monitor student wellness, and promote health awareness.
- ➔ Physical education will be conducted with CDC guidelines

Health Education

- ➔ Clinic Monthly Health Awareness Bulletin Board
- ➔ Information regarding Covid-19 located on webpage/around campus
- ➔ Students will understand the importance of cleaning hands with soap and water, or use hand sanitizer
- ➔ Informing students and staff via social media platforms and announcements on how to maintain a better quality of life.
- ➔ Faculty/staff development training (virtually) - Anaphylaxis, Food Allergies, BBP, Seizures, First Aid, Covid-19, Proper hand washing.
- ➔ PTA will incorporate ideas of healthy families into their agenda, to help with parent involvement and education on student nutrition and physical activity at home.

Nutrition Standards

- ➔ Our faculty will model healthy eating and appropriate lunch room conduct
- ➔ To promote safety, no outside food is allowed
- ➔ The school will offer breakfast and lunch for students. Students and staff are highly encouraged to promote and participate in these programs. (Free breakfast and lunch for the yr of 2020-2021-See webpage for more details)
- ➔ The staff will promote hand washing and encourage safe eating practices..
- ➔ The school will provide nutritional information to parents that will encourage parents to provide safe and nutritious foods for their children.
- ➔ Grab-n-go breakfast snack provided/encouraged in the morning for students who arrive past the breakfast serving time
- ➔ Monthly lunch menus are provided to staff, also available for parents in the office/webpage
