-The North Shore Middle School Cheer Uniforms and Accessories were sponsored by the Justin J. Watt Foundation. We greatly appreciate the sponsorship and we want to utilize this generosity to the fullest of our potential; which is why we are providing the athletes with the listed items to use throughout the school year.

-Our goal is to provide each cheerleader with the opportunity to cheer at a more affordable price. With doing this the uniforms will be issued out during the summer preceding the season's beginning and then returned at the completion of the season, before the next summer.

-We would like to maintain the presentation of the uniforms appearance and its durability, which is why we are asking each cheerleader to take good care of what they are issued out. The costs to replace damaged or lost items can increase greatly, and we want to prevent any extra costs for the parents, as well as the school.
