GPISD Parents/Guardians,

For the safety and protection of our athletes, the UIL and GPISD require all student athletes, student trainers, and managers to have a Pre-Participation Sports Physical. The school district provides a physical day to all students interested in extracurriculars to help accommodate the student and the parent.

This year physicals will be held on the following date

- Thursday, May 15th, at Dement Fieldhouse Athletic Training Room for Woodland Acres MS, Galena Park MS, and Galena Park HS

This opportunity is available for all athletics, band, cheer, and dance students in grades 6 -11. Physicals will take place throughout the school day during students' respective athletic periods. Students who currently attend Galena Park Middle School, and Woodland Acres Middle School will have transportation provided by the district to and from Dement Fieldhouse.

- Cost is \$20, payment is accepted via cash or RevTrak.
- Cash will be the only form of payment accepted on Physical Day (May 15th)
- If you have any questions, please contact your Head Coaches or contact the Athletic Training Staff.
