Two North Shore Football Players Sign Letter of Intent

Houston, Texas: On December 16, Shadrach Banks and Dematrius Davis signed a letter of intent to their respective colleges.

The entire North Shore football team supported their teammates, and sat on the football field as Banks signed his letter of intent to play at Texas A&M University and Davis signed to play at Auburn University. Both Banks and Davis are four-year varsity players and two-time state champions. Davis is also a two-time championship offensive most valuable player (MVP).

We would like to congratulate Shadrach and Dematrius on this milestone in their lives and wish them the best of luck at Texas A&M and Auburn!
