Dear Parent/Guardian,

We hope this letter finds you well. We are writing to let you know about the exciting programs available to your child at the East End Eagles, a non-profit youth organization established in 2004 as part of the Bay Area Football League (BAFL).

### FOOTBALL

Our football program is divided into five age divisions, starting with PeeWee for ages 5-6, Freshman for ages 7-8, Sophomore for age 9, Junior for age 10, and Senior for ages 11-12. Each division plays 10 scheduled Saturday games during the season against other BAFL teams, with the possibility of playoffs and a Super Bowl.

### DRILL, CHEER & MASCOTS

Our cheer and drill programs are open to children ages 5-13, under the direction of Mrs. Miriam Medina and her team of experienced coaches. Mrs. Medina experienced coaches include Alumni North Shore High School Scarlet Officers, 2019 Captain Monique Medina and 2019 Sr. Lieutenant Ms. Brianna Gomez. All participants aged 8-13 are part of the Drill team, and those who try out can qualify for the Cheer team. Mascots, ages 5-7, are considered our beginner cheer and drill team. Our Drill, Cheer, and Mascot teams perform at halftime during the 10 scheduled Saturday games as well as compete at the end-of-year BAFL Cheer Competition in October and BAFL Drill Competition in November.

### BENEFITS OF OUR PROGRAM

In our program, we focus on building self-confidence, leadership, responsibility, teamwork, and good sportsmanship. Our coaching methods are designed to prepare children for their future endeavors, whether on or off the field.

We believe that every child has the potential for greatness, and we are committed to providing a safe and positive competitive environment for all participants. Join us and help your child become the best athlete they can be while having fun and making new friends.

Thank you for considering the East End Eagles for your child's extracurricular activities.
