Pyburn Elementary Groundbreaking Ceremony

Houston, Texas: On Tuesday, May 12, Pyburn Elementary School held their groundbreaking ceremony. Due to COVID-19 restrictions, the event was by invitation only and was attended by district officials, elected officials and the architects and consultants who will be working on the new school. The ceremony was recorded and premiered on the GPISD YouTube Channel for the community to view on May 17.

The replacement building for Pyburn Elementary School is a part of the final phase of the Bond 2016 package. Phase IV and V also includes the construction of Galena Park High School additions and renovations and the design phase of Summer 2021 renovations.

The Bond 2016 package was approved by Galena Park ISD voters on May 7, 2016. This \$290 million package included the rebuilding of six elementary campuses, the construction of North Shore Senior High 10th Grade Center, renovations / upgrades to other campuses and facilities and acquiring land for future facilities.
