Galena Park ISD Host Fathers Take Your Children to School Day

Houston, Texas: On Wednesday, September 19, hundreds of Galena Park ISD fathers and father figures participated in Galena Park ISD's Annual Fathers Take Your Children to School Day. All 26 GPISD's schools treated dads to breakfast and a brief presentation on how they can volunteer on campus.

Fathers Take Your Children to School Day was established to encourage fathers to take a more active role in their children's lives and introduce them to their children's school community.

GPISD would like to thank all the fathers and father figures who took part in Fathers Take Your Children to School Day!
