# Galena Park ISD Education Foundation

*Revised March 27, 2007*

## **IMMEDIATE PROGRAM GOALS:**

With the assistance and advice of school district personnel, the Board of Directors has developed several programs, which emphasize the Education Foundation's mission to provide opportunities to enrich and enhance the quality of education for all GPISD students. All programs will be monitored by the Foundation to ensure that they are effectively meeting the mission of the Foundation.

## **PROGRAM AREA: GRANTS**

### **3. Selection of Recipients**

It is the responsibility of the Foundation Grant Selection Committee, under the guidance of the Director of the Education Foundation, to review applications and recommend grants. Selection will be based on the quality of the program as well as amounts requested relative to funds available. Whenever the quality or appropriateness of material requested is in question, the committee will seek consultation from content area specialists. Recipients will be announced by the Education Foundation Prize Posse either prior to the end of the school year or at the beginning of the next school year.

### **4. Distribution of Funds**

Funds will be distributed and coordinated by the Foundation and Special Events Coordinator in the Administration Building.

## **Galena Park ISD Education Foundation Grants to Teachers Application Guidelines**

1. Recognizing that many of your measurements emphasize standardized test scores such as STAAR, the purpose of this program is not to increase performance on a standardized test but rather enhance the educational experience in the classroom. Please note that the Education Foundation Board of Directors is made up of members of the community and of the School District.
2. Supplemental classroom materials and prepackaged kits are acceptable, however, preference will be given to grants that demonstrate creative and effective implementation and inspire students to learn.
3. Grants that directly benefit large numbers of students will be given preference.
4. Grants which utilize durable, reusable items will be given preference.
5. Grants that share materials and/or techniques between grades, groups, schools, etc. will be given preference.
6. A clear, concise, organized plan for use of money granted, with specific evaluation steps and criteria will enhance the application.
7. A detailed itemization of all costs and materials is expected. Estimates by categories are not acceptable.
8. Proposals for new programs are preferred over repeat requests.

### **Document Preparation Guidelines**

1. Correct grammar and spelling are a must. Errors may be held against the grant writer.
2. Pictures and/or other visuals of major items to be purchased are helpful.
3. Do not exceed space provided on grant application. Type size must be a **minimum of 12 pt.**

### **Policies**

1. Grants will not be awarded for costs and items that may be available from other sources such as federal or state funding or district funding.
2. No funds will be awarded for field trips, salaries, teacher trips, food, iPods, or speaker's fees.
3. No funds will be awarded for multiple applications from an individual school to fund an entire program.
4. The Foundation will not fund grant requests which exceed the stated dollar limit.
5. A timely evaluation for each grant must be submitted by the stated deadline. Those who do not will be eliminated for consideration for grants for the following academic year.
6. In the event a recipient of a teacher grant transfers to another school within the district, the teacher may transfer the grant program to the transfer school, provided the transfer is to a compatible grade level. If the transferring teacher is one member of a group grant, the grant will remain at the school awarded the grant. Any dispute regarding a grant transfer may be resolved by a special sub-committee of three board members appointed by the President of the Board of Directors. Site grants are non-transferable.
7. A teacher can receive multiple individual grants for the same funding period, provided the combined total of the grants requested does not exceed the grant limit for that funding period (\$1,000).
8. Submit the original and ten copies of the grant application to the Foundation Office by 4 p.m. on the stated deadline date.
9. Grant applications that are not funded will be kept on file for one year.
