1	We are requesting the specifications for this opportunity.	Specifics are posted within the Bid document and emailed out. Information can be located at link: <a href="https://bb.galenaparkisd.com/Page/1155">https://bb.galenaparkisd.com/Page/1155</a> Select Fundraising Items.
2	It says it is for fundraising items. We sell school-branded apparel and a portion of the sales is donated back to the school. Would this fall under that category? If it does do you have forms to fill out? I did not see any online.	Some organizations may elect to have a fundraiser, which includes school-branded items. If your company donates money back to the organization, your response should include the percentage, based on sales that would be donated. All the forms necessary are in the bid packet.
3	I had sent out the Bid forms for the above mentioned Request for Proposal and was curious if there is a way to verify the receipt of the packet from your end.	Your tracking information will provide verification of package being received.
4	I wanted to check and see when the fundraising bid will be coming? I work with many schools in your district and I do not want to miss it.	Bid Information can be located at link: <a href="https://bb.galenaparkisd.com/Page/1155">https://bb.galenaparkisd.com/Page/1155</a> Select Fundraising Items.
