Bid Questions

Question	In reference to the Random Moment Time Studies required by MAC for federal funding, what does GPISD see as a possible solution for this training, as this is a federal requirement to receive funds? What would be the preference of GPISD? Is this because GPISD does not have dedicated staff to attend this training?
Answer	GPISD completes the annual training requirement for the RMTS contact. Our service providers will require additional training for SHARS and RMTS. We would like our vendor to provide this training.
