Dear Parent/Guardian,

1/11/22

Below you will find a link to the State of Texas 2020–21 School Report Card for Pyburn Elementary. This report is required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR®), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the enclosed “2020-21 School Report Card Definitions.”

State law requires that the School Report Card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

Both our School Report Card and Texas Academic Performance Report can be found on our school’s homepage and at:

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Pyburn Elementary.

Sincerely,

Conrad Rivera, Principal
