Hello Mustang Family-

We have had a great first four days of school. As we move through our first full week of school there are some reminders about the student code of conduct that we would like to stress.

1. **It is a safety requirement that all individuals that enter North Shore Senior High must wear a visible ID at all times. We will give students 5 free temporary ID's a semester if they forget their student IDs because we all forget things at times. After students have exhausted their 5 temporary IDs the following process will take place:**
 - a. **5th Temporary ID issued, parents will be notified.**
 - b. **6th temporary ID issued, Lunch detention**
 - c. **7th temporary ID issued, after school detention**
 - d. **8th temporary ID issued, parents will be required to meet with administration.**

The first hard copy of the ID is free to all students, each additional copy will cost \$5 (which will be paid on revtrak)

2. **We will begin to address tardies this week:**
 - a. **1-3 Tardies parents will be notified.**
 - b. **4-5 Lunch Detention**
 - c. **6-7 After school detention**
 - d. **8-9 Extended after-school detention**
 - e. **10 Saturday School**
 - f. **11- Return with parent escorting the student to class for a day.**
3. **Please make sure your Mustangs come to school meeting our dress code. We will be focusing on the following violations:**
 - a. **No mid-drifts or low-cut tops. (Students will be asked to change or be picked up from school if they violate the dress code.**
 - b. **No hats, hoodies, or other headgear should be worn inside the building. Students will be asked to remove them first, if the student is found again with headgear on, it will be confiscated.**

The rest of our student code of conduct can be found here:

<https://www.galenaparkisd.com/domain/78>

4. Cell phones may only be used in the classroom for instructional use. If the cell phone is used in violation of the cell phone policy administrators may pick up the cell phone and parents will be charged \$10 and must retrieve the phone.
5. Students will need to bring their chrome books to school every day.
6. You can access parking information here:
<https://tx02217083.schoolwires.net/Page/4552>
7. Schedule information can be found here:
