

GALENA PARK HIGH SCHOOL

Kimberly Martin, Principal

Dear Parents,

The safety of your child is our number one priority at Galena Park High School. With that in mind, I would like to share the procedures GPHS has in place for travel to and from games and events with student organizations.

Any student that rides the bus to an event should ride back to school on that bus. Sponsors and coaches will supervise their students while parents pick up the children.

If a parent would like to take a student home from an event, the following procedures should be followed:

1. The parent should notify the sponsor in writing prior to the event.
2. The sponsor or coach must physically meet the parent at the event to ensure the parent has assumed responsibility for their child.

While each organization may have their own additional policies and procedures in place, these basic practices will help ensure the safety of all of our students.

Thank you for your cooperation as we ensure our students safety. If you have any questions or concerns please feel free to call me at 832-386-2800.

Regards,
