

### Student Attendance Information:

In order to receive credit in a class, students must be in attendance for at least 90% of the days the class is offered. Students who are in attendance for fewer than the prescribed number of days set by the law shall not be given credit for the class unless the attendance committee finds that the absence(s) are the result of extenuating circumstances.

When returning to school after an absence, a student **must** bring a note signed by the parent that describes the reason for the absence. Notes signed by the student, even with the parent's permission, will be considered forgery and the student will be disciplined.
