Galena Park CTE Early College High School

Established * 2015

About us

Galena Park CTE Early College High School opened its doors in August of 2015. Located on the north campus of San Jacinto College, the inaugural year featured 125 freshmen from all areas of the district. Students attending CTE ECHS have various career options to choose from and attend all high school and college classes on the San Jacinto campus.

In June 2024, CTE ECHS graduated its sixth class of Seniors. Over 240 graduates in the short history of the campus have received an Associate Degree. More than 360 have received a Certificate of Technology in a variety of competitive industries.
