### UPDATED INFORMATION REGARDING FACE MASKS

August 13, 2021

As of 3:30 p.m., a decision has been rendered regarding pending court action. Harris County was granted a temporary restraining order regarding COVID-19 protocols for public schools and daycares located in Harris County. **Therefore, Galena Park ISD will comply with the Health Control Order issued by Harris County on August 13, 2021, as legally required.**

Effective immediately, Galena Park ISD **will** require all students, staff, teachers, and visitors to wear masks, regardless of vaccination status, while indoors on school property and school buses, until further notice. This requirement is consistent with the Health Control Order issued by the Local Health Authority for Harris County on August 12, 2021, and recommendations from the CDC.

We appreciate our Galena Park ISD community, students, and staff for your patience and cooperation as we navigate a difficult situation for all. YOU make Galena Park ISD a great place to be.
