

NEW BEGINNINGS SUPPORT GROUP

For Students, Parents, & Staff

"Every day may not be good, but there's something good in every day."

Galena Park I.S.D.'s Mental Health Intervention Team is offering a support group for students, parents, or staff in need of a safe, supportive environment to share and cope with their feelings associated with the COVID-19 pandemic or any other life stressors. Participation in the group is free of charge and open to GPISD students, parents, and staff.
