Galena Park ISD Recognized Two North Shore Elementary Students

Houston, Texas: At the October 10th Galena Park ISD (GPISD) Board of Trustees meeting, GPISD recognized Bryan Hernandez and Fernando Torres, from North Shore Elementary School, for participating in the Education of Action Summer 2022 Lone Star Leadership Academy.

These young leaders were selected to attend the Lone Star Leadership Academy based on demonstrated academic success and leadership ability, an educator recommendation, and involvement in school and community activities.

The Lone Star Leadership Academy experience provided a unique opportunity for these students to learn about Texas leaders and what it means to be from the Lone Star State. Participants traveled to Dallas/Fort Worth and completed problem solving and decision-making simulations, exercised creativity, and practiced presentation skills in leadership groups. In addition, participants had fun meeting other outstanding students and making new friends while adding to their resume of academic achievements, developing leadership skills, and bringing home a wealth of information.

A certificate and medal were presented to Bryan Hernandez and Fernando Torres on behalf of the Board of Trustees and Dr. John Moore, Superintendent of Schools.
