Galena Park ISD Names New Mustang Head Football Coach

Houston, Texas: On February 28th, Galena Park ISD (GPISD) officially announced Willie Gaston as the new head football coach for the North Shore Senior High School (NSSHS) Mustangs. Gaston is a 15-year employee of GPISD, NSSHS Mustang alumni, and most recently the Offensive Coordinator.

Known as a Texas high school and Houston-area superpower of football, the North Shore Senior High School Mustangs are poised to maintain such accolades with Gaston's prior experiences playing college-level football and in the NFL (Baltimore Ravens). While GPISD's Mustang Football Program is one of the most prominent in the state, Coach Willie Gaston takes the helm with "I'm very excited about this opportunity, and I can't wait to work with the kids and see much further we can grow as a team." Superintendent of GPISD Schools, Dr. John Moore stated he is "confident the Mustang football program will continue to excel and develop our young adults with an emphasis on academic excellence, exceptional sportsmanship, and character development."

GPISD is excited to see the Mustang Football Program legacy continue with Head Coach Willie Gaston!
