March 23, 2020

Dear Galena Park I.S.D. Students, Parents, and Community,

In times like these, I am reminded how proud and blessed I am to serve as Superintendent of Galena Park I.S.D. Our Board of Trustees, Student Nutrition Department, Curriculum and Instruction Department, Communication Services Department, Custodial Services Department, Principals, Teachers and many others, have worked tirelessly to help us “flatten the curve” of the spread of the COVID-19 virus.

I want to remind each of our students they are valued and missed by their teachers, and as a school system, we very much look forward to resuming normal school operations as soon as it is safe to do so. More than anything, we want our students to feel supported while we are absent from our normal routines. To this end, we are continuing to provide ongoing Educational Resources/Learning Opportunities during the school closure, as well as access to school counselors during this unprecedented time of uncertainty (please see your school website for more information, if needed). Educational packets will be available for pickup every Monday during the closure from 4:00 – 6:00 p.m. at Galena Park High School and North Shore Senior High School. Please note, the North side location has been changed to allow for additional traffic flow space, so all families who previously selected the GPISD Administration Building will now use the North Shore Senior High School site. You MUST [register online](#) one time to receive a weekly packet.

Please refer to [www.galenaparkisd.com](http://www.galenaparkisd.com) for more information about COVID-19, Educational Resources/Learning Opportunities, and daily schedules/locations for free curbside meal distribution for students ages 18 and younger.

Again, I extend my personal thanks for your patience and support during this difficult time. Please continue to practice social distancing to remain as safe as possible, and to be able to return to our normal routines as soon as it is safe to do so. I will continue to keep each of you, and your loved ones, in my prayers.

Many thanks,

Angi Williams, Ed.D.  
Superintendent of Schools
