

Welcome to a new year of school and a new year of PTA. As you start the year, remember that our focus is children-the children in your home, the children in our school and the children in our state.

If this is your first year at Galena Park MS, I would like to extend a very warm welcome to each of you.

Whether a new PTA member or a returning member, we thank you for your contributions, time, and commitment to our organization, our teachers, and most importantly, our students! As a member of the GPMSPTA, you are a voice for our students and part of the largest child advocacy program in the world! It is such a rewarding experience!!

As I embark on my second year as your PTA President, I am looking forward to continuing the working partnership we have established with the Board of Education, Administration, our amazing Teachers and our invaluable Staff to provide an excellent learning experience for our children.

I encourage each and every one of you to become a part of our team. The number one reason to join the PTA is to benefit the children. In doing so, you also help us. But there are many more advantages:

By becoming a PTA member, you'll be demonstrating to your child the importance you place on education.

By volunteering with your PTA, you gain valuable experiences and personal confidence. It's an opportunity to put your skills and hobbies to good use, for a good cause.

By getting involved, you'll be part of the solution, helping to make positive change.

PTA functions provide opportunities to meet other parents and teachers.

The PTA is a forum for exchanging ideas, attend the PTA Association meetings throughout the year to make suggestions, and provide your input.

"Every child's potential is a reality..."

Thank you and have a great year!!!

Sincerely,

Ida D. Rocha
GPMS PTA President
