Once logged in, the user is presented with an icon representative of the application suite they have access to. Click on this icon.

Click on the local resources needed. Resources that are checked are made available for use by the virtual desktop.

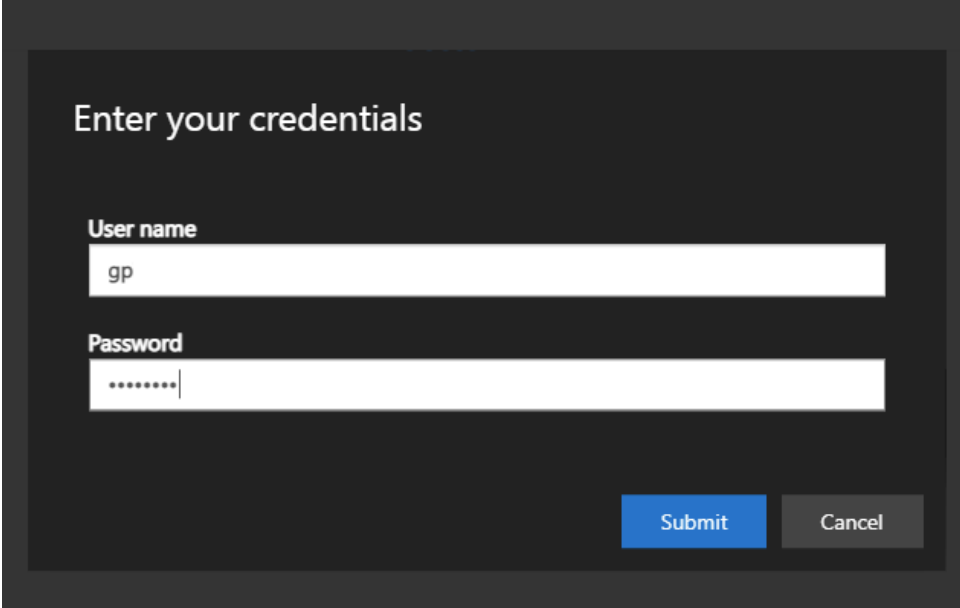

This authentication screen is for the desktop. Enter user credentials using one of the following formats:

Students: gp#####

Password: Same as that used on desktop/Chromebooks.

Staff/Faculty: universal username

Password: Same as that used on desktops/email

The image shows a dark-themed authentication window with the title "Enter your credentials". It contains two input fields: "User name" with the text "gp" and "Password" with six dots. At the bottom right, there are two buttons: "Submit" (blue) and "Cancel" (grey).

Upon successful authentication, user is presented with a desktop.
