

Amendment 7
House Bill 144 Consequence Plan
(FNCF Legal, FNCF Local) (TEC 37.006)

To best serve the needs of Galena Park ISD students the proposed plan would allow students to receive in depth interventions on campus prior to being sent to a DAEP for HB 114.

Rationale:

This plan will lessen alternative placements and allow students to receive more one-on-one intervention on campus, complete modules, obtain campus counseling, have teacher check ins and lessen the number of students being sent to DAEP.
