

Galena Park Independent School District

Cunningham Middle School

2019-2020 Campus Improvement Plan

Accountability Rating: B

Distinction Designations:

Academic Achievement in Mathematics

Top 25 Percent: Comparative Academic Growth

Top 25 Percent: Comparative Closing the Gaps

Mission Statement

“To provide students with a safe, student-centered instructional environment, characterized by rigorous, college/career-focused experiences that support life-long learning, critical thinking, and empowered leadership.”

Vision

W. C. Cunningham will be an academic center that strives to develop citizens with the skills, knowledge, and core values to lead and influence their communities.

Campus Profile

History of Campus and Important Changes

Located in the heart of the North Channel area in Greater East Harris County, along the magnificent Houston Ship Channel, and just 15 minutes away from downtown Houston, Texas, is W.C. Cunningham Middle School. In 1979, G.P.I.S.D. formulated plans for a new middle school and construction began. W. C. Cunningham Middle School opened on the 29th of August 1982.

With pride, the school was named after a former G.P.I.S.D. superintendent, Mr. W. C. Cunningham. Mr. Cunningham was not only known in the field of education, but also as an oilman. His relationship with the oil fields of West Texas and Oklahoma gained him the nickname of Wildcatter. When the school was looking for an appropriate mascot, there was only one animal of choice—the *Wildcat*. Thus, we became the *Cunningham Winning Wildcats*.

In 1992, a new gym and 28 classrooms were added. In 2012 a major renovation project was completed.

Cunningham enjoys a strong tradition of academic excellence. In 1998 CMS was the first secondary school in Galena Park ISD to earn the “Exemplary” Rating from TEA.” The school repeated this honor in 2001 and 2009. Additionally it achieved a “Recognized” rating in 1999, 2002, 2003, 2006, 2008, 2009, and 2011. The campus met Adequate Yearly Progress in 2008, 2009, 2010, and 2011. From 2015-2019, The campus achieved a "Met Standard" rating on the TEA Accountability Index. Our student teams and organizations frequently achieve top honors in competition and are known for their quality programs.

The Cunningham Title I program provides for parent involvement activities, extended day tutorials in core subject areas, supplemental Saturday School Program, and Saturday School Tutorials, supplemental retired-teacher social studies support, and a supplemental social students teacher. Title I provides 3 Secondary Instructional Specialists for our campus; Math, ELAR and Science.

Our State Compensatory Program (SCE) consists of a STAAR preparation Saturdays, weekly tutorials, and Saturday School sessions for

content areas, a Technology Instructional Specialist, and an intervention Math/ELAR teacher. ESL teachers and classroom support are provided. Through CTE, CMS offers our students classes in Career Portals – Humanities, Data Entry, and Digital Design.

Over the past several years, the school has worked hard to improve in every content area through developing relationships with all stakeholders, and providing more rigorous instruction that reflects in our student activities and testing results.

We believe in building relationships with students, staff, and parents. We also believe that our continued success can be attributed to our increasing parental involvement.

To address the needs of special education students, our campus implemented a collaborative teaching model (co-teaching) which has been incorporated into all core classes during the past five years. This year we have scheduled our co-teachers to work exclusively with one specific content area. This teaching model has helped students close academic gaps and make adequate academic gains. We have also added a second Life Skills teacher.

Intervention classes, known as Reading Plus, Math Plus, and Writing Plus were added in each grade level for students who failed one or both portions of the math or reading state assessments the previous year. The purpose of these classes is to help students receive accelerated instruction in the areas of need, resulting in academic success on the 8th grade Student Success Initiative requirements, and 7th grade STAAR Exams.

We provide Saturday school tutorials throughout the school year as remediation for students who failed or were at risk of failing a core subject during the previous nine weeks. These Saturday School Tutorials were created to help At Risk students receive additional instruction throughout the year and obtain a passing grade in the core subject area(s) failed. We provided specialized pull-outs for each content area as well and collaborated with district specialists to help create engaging lessons. This resulted in innovative small group instruction.

Implemented in 2018 - 2019 school year, all 8th grade students are required to take a college and career readiness course (CCR). This will continue in 2019-2020.

Starting the 2019-2020 school year, all 7th grade students will be required to take an SEL (Social Emotional Learning) course called ThinkTank. We look forward to starting the year stronger than ever, focused on leading our students to success as we prepare them to become life-long learners and influential leaders.

For the 2019-2020 school year, we will continue to develop the success of our students.

Where We Are Now:

WC Cunningham Middle School (CMS) is one of twenty-five campuses in Galena Park Independent School District. CMS opened its doors in 1982 and serves predominantly African American and Hispanic, low socioeconomic families. CMS currently serves 954 students in grades 7 and 8. Our projected scheduling plan for the 2019-2020 academic year will be built around a hybrid block schedule (core classes are 95

minutes and most elective classes are 45 minutes every other day), and students in each grade level will be divided into three “core-area” teams. Each team includes core teachers who work together to ensure the success of the students on their teams.

With a total of 84 staff members, we currently have 100% Highly Qualified teachers and 100% Highly Qualified paraprofessionals.

Our year to date information includes the following: Overall mobility rate for the campus is approximately **12.2%** with a drop-out rate of **0.9%**. The year-to-date average daily attendance rate for students is **96.4%**. The average daily attendance rate for staff is approximately **97%**.

CMS current enrollment consists of **33.7%** African American students, **1%** Asian students, **61.3%** Hispanic students, **.3%** American Indian students, **1.2%** students with two or more races, and **2.4%** White students. The student enrollment type: **86.6%** Economically Disadvantaged, **20%** English-language learners and **10.8%** students receive Special Education services.

Survey Data

Cunningham's Title I program consists of several parental involvement activities, Social studies professional development, three instructional specialists (math, ELA and science), pullout teacher for social studies. In addition, our campus has recently incorporated intervention classes to enrich Reading, Writing and Math and a second ESL teacher to provide additional support to our ESL population.

Where we are going:

The CMS needs assessment process is described below. The CPAC team met to evaluate the previous years' data. The committee evaluated programs, survey results, the master schedule, and the following data: Benchmarks, TAPR, STAAR, Campus Accountability Summary, Performance Index Summary, School Report Card, Federal Report Card, Attendance (students and staff), safe learning and working environment, college and career prep, and improving scores. Committee members reviewed the data listed above to identify areas of strengths and needs. The data showed that 28.57% of staff believes that the campuses top focus should be on college and career readiness and student achievement. The results of the Campus Needs Assessment Survey showed that our staff, as well as our students, feel that CMS is a safe and civil school. One area of concern is to increase college readiness opportunities for students. There was also suggestion for a continued focus and training in three main areas; brain based strategies, behavior intervention and differentiated instruction. We offer several classes in which students can receive high school credit: Touch Data Systems, Art 1, Digital Design, Spanish 1 and Algebra 1. All core subjects, were areas mentioned as being effective, but could do better. Although most programs are improving, there were specific concern for the special education and ESL sub-populations. Most staff felt that STAAR pullouts, After-School Tutorials, and Saturday school interventions have had a positive impact on our students. The assessment also showed that most staff indicated that they would like to have seen more student participation in extracurricular activities. Attendance was also mentioned, with a desire to increase student attendance and continue incentives who had high or low attendance. Lastly, surveys results indicated that the teachers have high expectations for their students, that the administration has communicated high expectations for faculty and staff, and that there is sufficient implementation and monitoring of student interventions.

Student Academic Achievement Strengths

- Gains in Overall Score, Domain I, Domain III
- STAAR performance gains (Reading, Math, Science, Social Studies)
- EL student STAAR performance in ELA, Science, Social Studies
- SE student STAAR performance (growth) in ELA, Math, Social Studies
- Students moving from Meets GL to Masters (112)
- 69% tests show growth from previous year
- 3 distinctions earned
 - Overall Score of B

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: The performance of African American males is lower than the other sub-populations. **Root Cause:** Limited environmental exposure.

Problem Statement 2: The performance of Special Education populations is the lowest among all sub-populations. **Root Cause:** Lack of teacher

knowledge regarding disabilities/diagnoses.

School Processes & Programs

School Processes & Programs Summary

1. Special Education
2. ESL
3. Pre-AP
4. College & Career Readiness
5. LOTC
6. Extra-Curricular Activities
7. Communities In School

School Processes & Programs Strengths

1. Maximizing instructional time
2. School safety
3. Special programs (SpEd, ESL, Pre-AP)
4. Community outreach
5. Campus Culture

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: The procedures, methods, and practices regarding disciplinary inconsistencies at Cunningham Middle School. **Root Cause:** Lack of consistency when administering disciplinary consequences.

Perceptions

Perceptions Summary

Cunningham Middle School is a diverse campus with a family environment that has over 50% veteran teachers who strive daily to meet the needs of our students in various ways such as extracurricular activities, targeted subject-area tutorials, community outreach, and college and career focused instruction.

Perceptions Strengths

- Over 50% teachers are veterans
- New Teacher Mentor Program
- Teacher and student attendance incentives
- Academic teaming
- College readiness focused
- Various modes of communication with parents
- Outreach and inclusion programs

Problem Statements Identifying Perceptions Needs

Problem Statement 1: There is a lack of disciplinary enforcement due to inconsistencies on the classroom and administrative levels. **Root Cause:** No system in place to document frequent discipline occurrences.

Problem Statement 2: New teachers get burned out quickly due to lack of support, which leads to low attendance as well as low performance and student achievement. **Root Cause:** Not enough professional development and support for new teachers and staff members.

Priority Problem Statements

Problem Statement 1: New teachers get burned out quickly due to lack of support, which leads to low attendance as well as low performance and student achievement.

Root Cause 1: Not enough professional development and support for new teachers and staff members.

Problem Statement 1 Areas: Perceptions

Problem Statement 2: There is a lack of disciplinary enforcement due to inconsistencies on the classroom and administrative levels.

Root Cause 2: No system in place to document frequent discipline occurrences.

Problem Statement 2 Areas: Perceptions

Problem Statement 3: The procedures, methods, and practices regarding disciplinary inconsistencies at Cunningham Middle School.

Root Cause 3: Lack of consistency when administering disciplinary consequences.

Problem Statement 3 Areas: School Processes & Programs

Problem Statement 4: Student attendance remains below 96.5% for all students.

Root Cause 4: CMS needs to improve our system of tracking absences, following up and holding parents and students accountable for attendance.

Problem Statement 4 Areas: Demographics

Problem Statement 5: The performance of African American males is lower than the other sub-populations.

Root Cause 5: Limited environmental exposure.

Problem Statement 5 Areas: Student Academic Achievement

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups

Goals

Revised/Approved: October 28, 2019

Goal 1: CMS will provide a safe, productive and healthy learning/working environment for students and staff.

Performance Objective 1: Decrease number of disciplinary referrals by 10 percent.

Evaluation Data Source(s) 1: Student's disciplinary report.

Summative Evaluation 1:

| ESF Levers Lever 3: Positive School Culture 1) Regular announcements and communications referring to Attendance (Attendance Matters, Attend Today... Achieve Tomorrow, No More Than 3 For Me, etc) | | Announcement Personnel Principal | Change the mindset of students as it relates to the importance of attendance. | | | | |
| | Problem Statements: Demographics 1 | | | | | | |
| 2) Make regular contact with parents of students who miss 3+ days of school | | Administrators Team Leaders Attendance Clerk | Show parents and students that CMS pays attention and monitors absences. | | | | |
| 3) Meet with all students and parents with 5+ unexcused absences at the end of each 9 weeks and strongly encourage them to attend Saturday School | | Administrators Team Leaders | Allow students to recover credit and give them a second chance. | | | | |
| 4) To improve attendance, students with 5+ unexcused absences at the end of the 9 weeks will set an attendance goal for the new 9 weeks. If students meet their goal in the new 9 weeks, they will be recognized and rewarded in team recognition meeting | | Attendance Clerk Team Leaders | This strategy encourages improved attendance. | | | | |
| Funding Sources: 199 - Local - 450.00 | | | | | | | |

| 5) Campus Parent Team - POM (Parents on the Move) will assist with promoting the importance of attendance by wearing attendance t-shirts, speaking to other parents and being a voice and community events | | POM Coordinator | Parents encouraging other parents to bring their children to school promotes good positive peer pressure. | | | | |
| 6) Document, upload and issue attendance contracts to students with more than 6 absences | | Administrators Raa Wee | This strategy encourages improved attendance and changed behavior. | | | | |
| 7) Document, upload and issue attendance agreements to students with more than 3 absences. This agreement includes the campus/district policies and procedures after absences. | | Attendance Clerk | Show parents and students that CMS pays attention and monitors absences. This method forewarns students before attendance issues become a problem. | | | | |
| 8) FIRST PERIOD ROUND-UP Generate list of absent students at 8:40 a.m. All students with 3+ absences will be called and picked up, if at home. After the 3rd day of unsuccessful parent contact, the ASAP officer will be sent to the home of the student. | | Administrators Attendance Clerk CIS ASAP Officer | Show parents and students that CMS pays attention, monitors absences and will not accept frivolous excuses for being absent on that day. | | | | |
| 9) Attendance clerk will generate a 3+ Consecutive Day Report. Any student listed on the report will get a visit from the ASAP officer if the school has not been made aware of their whereabouts. | | Attendance Clerk ASAP Officer | Sending an officer to the homes of students with poor attendance would change the bad habits of missing school for no or small reasons. | | | | |
| 10) Teams recognize students with perfect, good and improved attendance during awards ceremony | | Team Leaders | Recognition for students' efforts motivates students to continue to have perfect or good attendance. | | | | |
| Funding Sources: 199 - Local - 250.00 | | | | | | | |
| 11) To improve individual attendance, principal contracts with bottom five students - Principal will meet with the five students with the poorest attendance every other Friday to go over attendance. Students with perfect attendance for ten consecutive days will receive a \$5 gift card to fast food restaurant. | | Principal | This strategy encourages improved attendance and changed behavior. | | | | |
| Funding Sources: 199 - Local - 225.00 | | | | | | | |

Performance Objective 1 Problem Statements:

| Demographics |
|--|
| <p>Problem Statement 1: Student attendance remains below 96.5% for all students. Root Cause 1: CMS needs to improve our system of tracking absences, following up and holding parents and students accountable for attendance.</p> |

Goal 9: CMS will achieve a 96.5% or higher student attendance rate, utilizing the \$4,956.00 Attendance Incentive Plan allotment.

Performance Objective 2: Increase student attendance percentage to 96.7% or higher for the 3rd 6 Weeks Period.

Evaluation Data Source(s) 2: Increased student attendance on PEIMS Report.

Summative Evaluation 2:

| | | | | Oct | Dec | Feb | May |
| 1) Strategically schedule team rallies and other fun events that excite students' interest during times that students are likely to miss school. | | Team Rally Coordinator Administrators Team Leaders | Students would show up to school on days they are likely to miss. | | | | |
| 2) Attendance Works Strategy - Grade level team competitions - Students and team leaders are given a range of dates to compete. The team with the highest attendance at the end of the competition earns a week of "No Uniform" passes | | Attendance Clerk Team Leaders | | | | | |
| 3) Intramural activities to keep students motivated. (i.e., teachers vs. students flag football, teachers vs. students volleyball games during this 6 weeks opposed to waiting until the end of the semester like the past.) | | Coaches | Students would show up to school on days they are likely to miss when fun activities are scheduled during the school day and during peak times for poor attendance. | | | | |
| 4) To improve attendance, students with 5+ unexcused absences at the end of the 9 weeks will set an attendance goal for the new 9 weeks. If students meet their goal in the new 9 weeks, they will be recognized and rewarded in team recognition meeting | | Attendance Clerk Team Leaders | This strategy encourages improved attendance. | | | | |
