Mission Statement

We will work collaboratively, compassionately, and respectfully to ensure that all students, staff, and community achieve their maximum potential by providing necessary resources and training to meet their unique and diverse needs.

Vision

The vision of Galena Park High School is to prepare students to be successful throughout life.

Campus Profile

In 1917, the Harris County School District erected Clinton School, a one-room frame building to serve Galena Park students in the primary grades. Older students had to make the long trip to attend Milby High School. With additions constructed over the years, in 1922 Clinton School was able to add 9th and 10th-grade studies. In 1924, the frame building was replaced with a two-story red brick building serving all grades, 1st through 12th grade. In 1930, Galena Park established its own independent school district, and soon after a separate building was constructed. This building allowed Clinton School to become Clinton Elementary. In 1947, the district opened Dement Field to serve student athletics needs. With the continued growth of the district, a new and larger high school building was soon needed and on March 17, 1950, the present Galena Park High School was opened. Additions and renovations were completed in 1992 to better meet the needs of Galena Park's growing population. The Johnnie Rountree Auditorium was constructed to encourage the cultivation of the arts. Additionally, Dement Stadium was upgraded to college level requirements and provided collegiate level athletic experiences for our students. One of the largest additions to Galena Park High School was the construction of the Arthur C. Lily Building. This facility sits on the site of the former Galena Park ISD Administration Building.

Galena Park High School is one of 3 high school campuses in the Galena Park Independent School District and predominantly serves low socioeconomic, urban families. During the 2018-2019 school year, Galena Park High School served 1800 students in grades 9th to 12th. Galena Park High's campus organization is designed to facilitate 9th -12th grades. Academic courses are geared towards preparing all students toward college and career opportunities and students are provided with elective course options in Fine Arts, Career & Technology, Physical Education and/or extracurricular organizations, clubs and groups. As a campus, we strive to have all students graduate from high school with the 21st-century skills needed to meet our community's and students' needs.

Demographics

Demographics Summary

During the 2018-2019 school year, our student population (approximately 1800 students) consisted of the following: 93.7% Hispanic, 3.6% African-American, 2.3% White, 0.1% Asian, 0.1% American Indian, and 0.1% Two or More Races. Of our 1877 students, 78.1% were classified as Economically Disadvantaged and 61.8% as At-Risk. During this school year, 16.5% of the students participated in our English Language Learners program, 7.2% were part of our Special Education program, 6.4% were classified as Gifted and Talented, and 82.8% of students participated in our Career and Technical Education program.

The Texas Academic Performance Report for GPHS indicates that in 2017-2018 the annual drop rate was 1.7%, which was a slight decrease from the year before (1.8%). The 4-year longitudinal rate shows that the graduation rate for the class of 2017 was 90.9%.

The campus consisted of a staff population of 154 individuals during the 2017-2018 school year. The following represents the demographic information concerning the teacher population: 47.3% White, 30.3% Hispanic, 17.2% African-American, 4.3% Asian, 50.1% males, and 49.9% females. 100% of the faculty was deemed as Highly Qualified and 100% of paraprofessional staff were also deemed Highly Qualified.

Demographics Strengths

The demographics committee met on February 15, 2019 and determined the following demographic strengths for GPHS:

1. College advocacy through our academic advisor.

2. Teachers have high academic standards that are evident in a variety of ways including EOC scores and CTE certifications.

3. There are supportive administrators at GPHS.

4. Our students are well-mannered and engaged in the learning process.

Problem Statements Identifying Demographics Needs

Problem Statement 1: There is low school spirit. **Root Cause**: Lack of community events to encourage participation in school wide events.

Problem Statement 2: Parents are often unaware of the college admissions process and students occasionally feel unsupported in this area. **Root Cause**: Demographics of our community mean that few parents have had college exposure.

Problem Statement 3: Not all students at GPHS are exposed to college and technical opportunities. **Root Cause**: Students at GPHS are not exposed to life outside of their communities.

Problem Statement 4: Teachers are burdened by due dates and paper work requirements. **Root Cause**: Conference periods only every other day.

Problem Statement 5: Student attendance is below the district goal. **Root Cause**: There are 2 groups of students we are concerned with: chronically absent and occasionally absent (1-5 absences per semester)

Student Academic Achievement

Student Academic Achievement Summary

STAAR data shows achievement gaps existing between campus passing performance and state standards. The smallest gaps exist in the Algebra 1 and Biology End of Course (EOC) exams while the largest gaps exist in the English 1 and English 2 exams.

STAAR Percentage Passing Rates (Approaches)

EOC Test	Year	Campus %
English 1	2018	58
	2019	68
English 2	2018	61
	2019	64
Algebra 1	2018	90
	2019	89
Biology	2018	86
	2019	87
US History	2018	95
	2019	96

Student Academic Achievement Strengths

1. GPHS received an academic distinction in Social Studies in the 2017-2018 school year.
2. Our campus met or exceeded the state percentage of students at approaches in Algebra I, Biology, and US History.
3. There is a 0-1% gap between our school percentages at approaches and our Economically Disadvantaged population percentages at approaches.
4. GPHS exceeded the state's percentage for career or military readiness (18.5% versus 13.2%).
5. GPHS exceeded the state's percentage for students with a CTE coherent sequence (25.5% versus 17.3%).

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Our students lack strategies for reading proficiency. **Root Cause**: There are few opportunities outside of English class for students

to engage in devoted reading.

Problem Statement 2: Our students lack strategies for writing proficiency. **Root Cause**: Core teachers do not have the training to model writing strategies outside of English class.

School Processes & Programs

School Processes & Programs Summary

It is a priority of the staff and administration of Galena Park High School to put processes and procedures in place that will create the safest environment possible for everyone. The Foundations committee was created to address issues and concerns that may arise concerning campus processes and procedures. The committee consists of staff, teachers, and administrators. Discussion related to campus operational procedures is also discussed with the entire staff during monthly after school staff meetings. It will be a primary goal next year to increase teacher buy-in to the foundations' plan.

School Processes & Programs Strengths

The school process and program committee met on February 15, 2019 and determined the following strengths:

1. GPHS does a good job of recruiting and retaining qualified teachers through the use of job fairs, new teacher training, and mentor-ships.

2. Communication has improved at GPHS during the 2018-19 school year.

3. Attendance has improved for both staff and students.

4. The campus has a proactive approach to resolving problems.

5. There are a variety of activities that students can participate in and that faculty members can sponsor. This leads to an increased positive student and staff relationships.

6. The college and career message is being well communicated to students in a systematic way.

7. The use of Google Chromebooks and interactive boards, as well as unlimited google drive space, is increasing the technology used on campus.

8. GPHS does a great job of maximizing instructional time including the use of after-school tutorials.

9. Faculty members have strong classroom management plans and like the usage of school, status to help with increased communications.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: A lack of community involvement at GPHS. **Root Cause**: Barrier include a lack of communication, language, time and activities to

involve community members.

Problem Statement 2: There is low school spirit. **Root Cause**: Lack of community events to encourage participation in school wide events.

Problem Statement 3: There is a lack of staff accountability in relation to items such as duty stations, dress code and rules and procedures. **Root Cause**: Minimal oversight and a lack of teacher hall captains have added to this problem.

Problem Statement 4: Teachers at GPHS would like to improve climate. **Root Cause**: This is an ongoing campus activity that needs constant attention.

Problem Statement 5: Student and staff attendance is below the district goal. **Root Cause**: Despite the strong attendance data growth we need to focus on continuous improvement.

Perceptions

Perceptions Summary

Galena Park High School is a charming community school which houses approximately 150 faculty and staff members. The table below illustrates the staff responses to a portion of the campus climate survey they were asked to complete in March 2019. Approximately 89% of the staff members who completed the survey believe there common vision and mission at GPHS.

Perceptions Strengths

The Galena Park High School Perceptions committee met on February 15, 2019 and identified the following strengths in our area:

1. Student Attendance growth for the 2018-19 school year.

2. Campus Communication

3. Reduced student traffic in the hallways

4. Announcements are handled well. The end of the day announcements takes up minimal time.

5. Great videos from our CTE team.

6. We like flipped classrooms for faculty training.

7. There are very few extreme discipline issues.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: Students are struggling when transitioning from other campuses to GPHS. **Root Cause**: Introduction to campus are often one day events rather than longer term systems.

Problem Statement 2: There is a perception of campus inequity within the district. **Root Cause**: Competitive climate as opposed to a collaborative one.

Problem Statement 3: Teachers at GPHS would like to improve climate. **Root Cause**: This is an ongoing campus activity that needs constant attention.

Problem Statement 4: GPHS would like to improve parent participation in their child's education. **Root Cause**: There are several barriers (language, time) to increased participation.

Problem Statement 5: A lack of community involvement at GPHS. **Root Cause**: Barrier include a lack of communication, language, time and activities to involve community members.

Problem Statement 6: There is low school spirit. **Root Cause**: Lack of community events to encourage participation in school wide events.

Problem Statement 7: There is a lack of staff accountability in relation to items such as duty stations, dress code and rules and procedures. **Root Cause**: Minimal oversight and a lack of teacher hall captains have added to this problem.

Performance Objective 1 Problem Statements:

Demographics
Problem Statement 2: Parents are often unaware of the college admissions process and students occasionally feel unsupported in this area. **Root Cause 2**: Demographics of our community mean that few parents have had college exposure.
Problem Statement 5: Student attendance is below the district goal. **Root Cause 5**: There are 2 groups of students we are concerned with: chronically absent and occasionally absent (1-5 absences per semester)

School Processes & Programs
Problem Statement 3: There is a lack of staff accountability in relation to items such as duty stations, dress code and rules and procedures. **Root Cause 3**: Minimal oversight and a lack of teacher hall captains have added to this problem.

School Processes & Programs

Problem Statement 5: Student and staff attendance is below the district goal. **Root Cause 5**: Despite the strong attendance data growth we need to focus on continuous improvement.

Perceptions

Problem Statement 1: Students are struggling when transitioning from other campuses to GPHS. **Root Cause 1**: Introduction to campus are often one day events rather than longer term systems.

Problem Statement 4: GPHS would like to improve parent participation in their child's education. **Root Cause 4**: There are several barriers (language, time) to increased participation.

Problem Statement 7: There is a lack of staff accountability in relation to items such as duty stations, dress code and rules and procedures. **Root Cause 7**: Minimal oversight and a lack of teacher hall captains have added to this problem.

Goal 9: GPHS will achieve a 95.8% or higher student attendance rate, utilizing the $11,750.00 Attendance Incentive Plan allotment.

Performance Objective 2: Increase student attendance percentage to 95.9% or higher for the 3rd 6 Weeks Period.

Evaluation Data Source(s) 2: Increased student attendance on PEIMS Report.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Galena Park High School completed a campus needs assessment by surveying all necessary stakeholders including parents, students, and faculty members. The campus looked at all relevant assessment data including SAT, ACT, and TAPR reports. Discipline and attendance data were utilized. Staff met to complete the CNA process on Feb. 15th and the needs assessment was accepted at the May 12th CPAC meeting. The top 3 focus areas will be:

1. SEL instructions

2. Community involvement

3. College and Career Readiness

2.2: Regular monitoring and revision

The CPAC committee will meet the first Thursday of Sept, Dec, Feb, and May.

Sept. 5, 2019

Dec. 5th, 2019

Feb. 14th, 2020

May cancelled due to COVID 19

2.3: Available to parents and community in an understandable format and language

The Campus Improvement Plan is posted on the GPHS website, located in our front office as well as at the Central Office. Additionally, the plan is located at Deli House. The goals of the CIP are available in English and Spanish. Other languages are available upon request. Parents were sent a mass communication via text and email explaining how to access the document. Parents also receive this information in a monthly Smore.

2.4: Opportunities for all children to meet State standards

All students will benefit from multiple strategies that have been developed in all content areas and CTE certification areas to ensure that all students can meet rigorous state standards. All students will have the opportunity to meet state standards through whole group instruction, small group interventions, tutorials, differentiated instruction, and TEKS focused on high-quality instruction. We provide various opportunities for our students to meet state standards. The leadership team makes teacher recommendations as to who needs additional professional development to ensure quality student instruction is presented. Our teachers have been trained extensively on technology integration, small group instruction, and data-driven instruction. We also provide student tutorials for those identified at - risk; our campus instructional specialists provide pull-out and push-in instruction for those identified in need. Our campus instructional coaches provide intervention support to teachers as well as to students throughout the year. Our school counselors provide students emotional support and guidance whenever needed. We have plans to increase our parent participation with social and academic sessions. We offer many school-wide clubs that offer great social and academic support to our students that participate in it.

2.5: Increased learning time and well-rounded education

Goals to improve career and tech education, fine arts education, and extra-curricular participation have been included in the Campus Improvement Plan.

We utilize our campus schedule with academics and extra-curricular opportunities. We incorporate an uninterrupted 90-minute block for all students in each of the 4 core subjects as well as fine arts and career courses. Learning time is respected at Galena Park High School, as we try our best to restrict all interruptions during instructional time. We believe in the importance of building the "whole" child, not only in academics but also we work on keeping kids emotional, physically, and socially sound.

The campus master schedule will be created to ensure that students have opportunities to fulfill advanced courses while continuing to develop in athletics, career and technology, and fine arts. Teachers will ensure all lessons are planned and prepared to maximize instructional time. After school tutorials and Saturday tutorials will be offered to all students. Students will attend fine arts, CTE, and PE classes to ensure a well-rounded education to hone and develop their other talents. Extra-curricular activities will be available for students including, but not limited to: Student council, honor society, robotics, and UIL Academics.

2.6: Address needs of all students, particularly at-risk

All students including those At -risk, SPED, LEP, and 504 have strategies designated to specifically meet their needs.

Many of our students are of low socioeconomic means; we are a Title I school. Our students have a variety of needs which make them at-risk learners: Limited English proficient, learning challenges (special education), health concerns, single-parent families, and a student mobility rate of 19.3%. Our school counselors do a wonderful job of reaching out to parents whose children are experiencing difficulties. English Language Arts are a focus for our At-risk, SPED, and ELL populations. We recognize that some students will struggle in their academics, so we provide in-class interventions as well as pull out and push in structures of support. We also provide after school tutorials and Saturday school. We realize students have different strengths/weaknesses and interests, therefore we also offer art, science, music, and sports to capture our students. We provide these extra-curricular activities as they help build students' confidence. We try to empower and validate all students but especially those that struggle with learning.

Attendance and mobility are also a concern as it creates instructional gaps. Our homeless numbers have increased and are above the state average in Galena Park ISD. It is our goal to minimize the effects of this through the above-mentioned supports.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The counseling department in conjunction with the Parent Engagement Committee has designed multiple opportunities to increase parent engagement at GPHS. Many of these activities are centered

around college and career planning.

Evangelina Ojeda is the counselor who works with Family and Community Involvement

Ms. Arguelles works as the PTA president to facilitate the parent committee.

Booster Club parents including Hope Garcia and Hilda Gonzalez.

The policy was distributed at Open house on 9/23/2019. In addition, it is available on both the campus and the district website.

The Parent Engagement Policy is distributed electronically via email as well as a printed copy being distributed during parent conferences and at parent meetings. The policy can also be found in the front office and on the campus website in both English and Spanish. The policy will be reviewed and updated throughout the year.

3.2: Offer flexible number of parent involvement meetings

Parent meetings will be offered in the evening, on Saturdays and during the instructional day to ensure that all families can attend. These meetings include:

PTA meeting 9/23/2019 - 5:30 PM

PTA Meeting and Coffee with the counselor 1st Wednesday's of each month- 9 am

Booster Club Meeting 1st Monday of each month at 6pm.

Father's take your Child to School on 9/17/19 at 7 am.

Coffee with the administrator and PTA meetings are held on the first Tuesday of each month. Pta

meetings are held at 9 am and 6pm.
