## **Mission Statement**

North Shore High School is committed to providing all the necessary resources and strategies so that students reach a high level of socio-emotional and academic achievement through rigorous and relevant curricula to ensure students are prepared for career, military, and college.

# Vision

Every student of North Shore High School will graduate prepared to begin a career, enroll in the military, or attend the college of their choice as they become productive citizens.

# **History**

North Shore High School is one of 23 campuses in the Galena Park Independent School District. North Shore High School opened in 1962 and serves predominantly middle and low socioeconomic urban families. The original location was 13501 Holly Park Drive. The first class of Seniors graduated from North Shore High School in 1965. Over the next several decades, the population of the area steadily increased leading to the building of a new campus that would house 11th and 12th graders. The new campus opened in December of 1999. At that time, the 9th and 10th graders remained at the Holly Park campus. In 2007, an additional wing was added to 11th and 12th grade campus to accommodate the 10th Grade. Due to the steady increase in the student population, GPISD opened a 10th Grade Center in the Fall of 2018. North Shore High School has a population of nearly 4800 students and serves their needs on three campuses.

| Parent Involvement         | Provide a variety of communication mediums to parent and community |
| School Organization        | Increase teacher visibility/accontability                          |
| Technology                 | Easy access to needed technology to improve student achievement    |

### **Demographics**

### **Demographics Summary**

North Shore High School serves a diverse student population. In the previous year, TEA designated North Shore as needing improvement in the area of Asian Meets performance in Reading. This year we met this target. The 2019 NSSH accountability report showed a need for improved performance for Special Education students. There are significant gaps in their performance in ELA and Math among SpEd students. Also, NSSH did not meet targets in Domain III, Closing the Gaps, in TELPAS. The state set a target of 36% of students needing to demonstrate growth; however we showed only 25%. North Shore's graduation rate has declined over the last 7 to 8 years.

| Sub Population            | Student |
|---------------------------|---------|
| English Language Learners | 14%     |
| SpEd                      | 10%     |

North Shore High School serves 4,534 students in grades 9 through 12. The table below shows each student population by grade level.

| Grade Level            | Population |
|------------------------|------------|
| 9 <sup>th</sup> Grade  | 1182       |
| 10 <sup>th</sup> Grade | 1146       |
| 11 <sup>th</sup> Grade | 1155       |
| 12 Grade               | 1150       |

| 9th-12th Grade | Percentage |

| % Econ Disadv  | 81.1%      |
| % EL           | 15.3%      |
| Mobility Rate  | 12.7%      |
| % Special Ed   | 10.4%      |

The 2018 TAPR report reflects student attendance is .5 percentage points below the states average of 95.8%. The information below highlights the attendance trends for North Shore High School students for the last 3 years.

| 2017  | 2018  | 2019  |
|-------|-------|-------|
| 93.6% | 93.4% | 95.03 |

### **Demographics Strengths**

Although we did not meet state set targets, North Shore High School continues to narrow academic achievement gaps. Its student subpopulations (i.e. Hispanic, African Americans, White, etc.) continue to score close to the campus average in all 5 EOCs. In addition, the graduation rate has consistently been above the state and the North Shore High School drop out/mobility rates are low when compared to the state. We experienced a 20% increase in the number of College, Career and Military Ready students. Attendance rates are steadily increasing and there is a diverse staff at North Shore High School with 66% minorities.

### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1**: There is a need for consistent monitoring across campus staff and administration in regards to student attendance. **Root Cause**: Attendance rates have hit a ceiling of 94.3%.

**Problem Statement 2**: There is a need to train teachers on how to build relationships between students in low-socioeconomic groups. **Root Cause**: Drop Out rates are significantly higher than State Average--3.4% for NSSH vs. 1.3% for the State of Texas.

**Problem Statement 3**: There is a need for a dedicated for an At-Risk Specialist for each campus to communicate between parents, teachers, and administration about attendance. **Root Cause**: There is a greater need for more effective communication between the school and the community in regards to resources and programs available to students.

**Problem Statement 4**: Student attendance is below the state average. We need to improve attendance since it is a direct correlation to student success. **Root** Cause: There is a lack of parental involvement/student motivation and a need for targeted, consistent, effective student attendance incentives.

**Problem Statement 5**: The at-risk percentage is 11 percent higher than the state average of 49%. **Root Cause**: English EOC primary tester passing rate is low and interventions are ineffective.

### **Student Academic Achievement**

### **Student Academic Achievement Summary**

The 2018-2019 school year marked dynamic changes in the state's accountability system. This served as the first year districts will be subjected to an A-F standard to measure student achievement. Achievement indicators include STAAR performance, graduation rate and college, career and military readiness. STAAR performance is measured by the average rate of approaches, meets and masters on all 5 STAAR EOCs. North Shore High School will focus on increasing the English I and English II retester's approaches performance. In addition, we will focus on the US History Approaches, Meets and Masters performance and the Biology Approaches and Masters performance. The table below outlines student performance on these exams during the Spring 2019 EOC administration. Primary testers were successful; however, re-tester results continue to lag. Algebra I EOC approaches and masters scores maintained its success from the previous year. Math retesters were very successful as nearly 65% of retesters scored approaches. While the approaches performance increased only 1%, the Meets and Masters scores in US History remained stagnant from the previous year. LEP students perform well in US History. Despite missing state expected targets, SpEd and LEP students have made greater than expected progress overall. According to the data tables published by the Texas Education Agency (TEA) North Shore Senior High School did not meet the target Meets score of 74% amongst Asians in Reading. As a result, the state has desginated North Shore Senior has needing additional targeted support in this area. North Shore High School set a goal of achieving at B or higher campus rating. The charts below summarize EOC performance based on the 2019 Spring STAAR performance. Student participation in extracurriculuar activities and the success of the program is another way we measure student achievement.

|            | Approaches | Meets | Masters |
|------------|------------|-------|---------|
| Algebra I  | 90%        | 70%   | 40%     |
| Biology I  | 86%        | 56%   | 17%     |
| English I  | 59%        | 43%   | 6%      |
| English II | 62%        | 40%   | 4%      |
| US History | 92%        | 69%   | 33%     |

College, career and military readiness focuses on college board test performance, AP exam performance, TSIA performance, CTE coherent sequence completion, military enlistment and dual credit course completion. North Shore High School students continue to score significantly below the state average on the SAT and ACT exams. There is a need for increased participation and performance on these tests. North Senior High School has experienced an increase in dual credit completion rates and continues to lead its comparison group in this area. An unintended consequence has been the slight dip in the number of students completing AP courses as evident by the 1% drop in participation. This year we experienced an overall decrease of 3% in AP Scores. There is a need to increase scores in AP Economics, AP Math and AP Science performance.

#### **Extra Curricular Activities**

North Shore High School has a campus organization that is designed to accommodate the needs of the students. All students are provided opportunities to participate in Fine Arts, Career & Technology, Athletics, and/or extracurricular clubs/organizations. North Shore High School has experienced much

success in UIL competitions in the area of Fine Arts and CTE. All athletic teams have excelled in district and playoff competitions.

### **Student Academic Achievement Strengths**

North Shore High School achieved a Met Standard Rating under the 2019 state accountability system and expect to achieve this rating for 2020 accountability.

North Shore High School achieved excellent results on the AP performance in Math, Science, Music Theory, Spanish Language, Spanish Literature, Studio Art and English Literature.

In Spring 2019, we increased performance in Biology (meets and masters), Algebra (approaches, meets and masters), English I (Masters) English II (Masters) and US History (Approaches).

Our Algebra I EOC scores lead the Region IV area.

North Shore High School students frequently participate at the state UIL competition level.

Our teams have won the state championship for a number of years in Accounting, Computer Applications, and Calculator Applications.

NSSH Calculator Applications team are State Champions.

The class of 2019 received over 4 million dollars in college scholarships.

### **Problem Statements Identifying Student Academic Achievement Needs**

**Problem Statement 1**: There is a need to provide ample planning time for our teachers/coteachers in order to address curriculum changes/modifications, instructional practices, incentives, tutorials, etc. **Root Cause**: The master schedule does not reflect common planning for gen ed and co teachers.

**Problem Statement 2**: There is an insufficient number of teachers with an ESL certification to meet the growing demands of ELs. **Root Cause**: Teachers do not understand the value of gaining the certification.

**Problem Statement 3**: There is a need to create a strategic tutorial plan to encourage maximum participation and outside support. **Root Cause**: Students see the current plan as focused only on "passing" either a course or test. If they think they are "passing" they won't come.

**Problem Statement 4**: There is a need to establish common expectations in all AP contents in regards to testing calendar, format, data tracking, and student goal sheets. **Root Cause**: The expectations are not consistent across content areas.

**Problem Statement 5**: US History EOC Master performance amongst Dual Credit and AP students is low. **Root Cause**: Goal setting and interventions begin too late in the year and should begin in the Fall Semester.

**Problem Statement 6**: The performance gap between general education students and ICS students is too wide. **Root Cause**: SpEd ratios in classrooms are too large.

**Problem Statement 7**: There is a need to provide a consistent incentive implementation system for various categories such as data driven by content, attendance, and tutorials. **Root Cause**: Most students are not intrinsically motivated.

### **School Processes & Programs**

### **School Processes & Programs Summary**

There is a need for effective ways to communicate and collaborate across campuses to improve the climate and culture of all three. All campus leaders should communicate amongst each other to become cohesive in regards to campus policies, procedures, and standards. All policy and procedures need to be implemented with fidelity throughout the school year by frequent collaboration, follow-up, analysis of efffectiveness and recognition of success. Communication between administrators and teachers need to be more transparent to improve the morale of the school. It is important for teachers and staff to be involved in the development and planning phases of campus goals and the school vision. There is a lack of recognition and awareness of programs and events designed to increase campus morale.

### **School Processes & Programs Strengths**

There are committees in place to provide teachers a voice in the development of policy, procedures, and programs.

Each campus has developed its own incentive programs in regards to student and staff attendance and performance.

Each campus has a coordinated intervention/support program for students.

There is a 30/30 rule on all campuses. No student is to be released from any class during the first or last 30 minutes of each class period.

Safety drills are completed consistently and within given timelines.

### **Problem Statements Identifying School Processes & Programs Needs**

**Problem Statement 1**: There is a need for more efficient and consistent communication across campuses. It is important that every campus know what is happening on all campuses. **Root Cause**: Each campus prioritizes communication within its own faculty and staff. There is no common communication system being utilized.

**Problem Statement 2**: Student compliance with expectations regarding attendance, dress code, conduct, etc. varies across campuses. **Root Cause**: There is inconsistent enforcement/focus in regards to campus and district policies, procedures, and standards as they relate to student compliance.

**Problem Statement 3**: There is a need to improve teacher morale, commonly accepted goals, and compliance. **Root Cause**: Many teachers are unaware, unable, or choose not to provide their voice in the development of policies, procedures and programs.

### **Perceptions**

### **Perceptions Summary**

We propose spending more time on cross curricular activities to reinforce Citizenship concepts. We will need Professional Development to improve the teachers abilities to implement more engaging activities in the classroom. We should provide student/parent education on attendance as well as student incentives and relationship building to improve student attendance. We will need to create more of a school to home connection by inviting the community into the school for programs and fun activities. We would like to increase the professional development provided for working with ELL students and encourage teachers to obtain their ESL teaching certificate. We would also like to post information in English/Spanish.

### **Perceptions Strengths**

The identified strengths were competitive teacher salaries. Also, most parents report feeling welcomed across campuses and that their students are being provided an educational foundation that prepares them for college. It is reported that 93% of parents ustilize SkyWard parent portal to access grades, attendance, and other student information. There is sufficient parent communication regarding parental involvement activities on the various campuses.

### **Problem Statements Identifying Perceptions Needs**

**Problem Statement 1**: Students have no incentive to change negative behaviors. **Root Cause**: There is no consistency when holding students accountable for their actions.

**Problem Statement 2**: There is a need to increase student engagement throughout each instructional period. **Root Cause**: Teachers lack the skills and/or incentive to incorporate strategies to increase student engagement.

**Problem Statement 3**: Student attendance rates need to increase. **Root Cause**: Students and parents have not been directly involved in the development of incentive plans.

**Problem Statement 4**: Information is not provided in a timely, easily accessible manner. **Root Cause**: Teacher web-pages, Class Dojo's, Google Classrooms, Voice Mail, etc., are not updated on a routine basis.

# **Priority Problem Statements**

**Problem Statement 1**: The at-risk percentage is 11 percent higher than the state average of 49%.

Root Cause 1: English EOC primary tester passing rate is low and interventions are ineffective.

Problem Statement 1 Areas: Demographics - Demographics

**Problem Statement 2**: There are few students utilizing social services and counseling resources.

Root Cause 2: Parents are not effectively educated on social services available to students and families such as Communities In Schools, Unlimited Visions and Social Work services.

**Problem Statement 2 Areas:** Demographics

**Problem Statement 3**: There are few opportunities for teachers to collaborate.

Root Cause 3: Most staff development sessions are lecture orientated sessions from administrators and teachers are given few opportunities to learn from one another.

Problem Statement 3 Areas: Staff Quality, Recruitment, and Retention

**Problem Statement 4**: Teachers do not readily support new instructional initiatives.

Root Cause 4: Teachers struggle with managing multiple initiatives and are often overwhelmed with implementation.

Problem Statement 4 Areas: Staff Quality, Recruitment, and Retention

**Problem Statement 5**: Beginning teachers are not supported by their designated mentor teachers.

Root Cause 5: Mentors need additional training.

Problem Statement 5 Areas: Staff Quality, Recruitment, and Retention

Root Cause 6: Teachers are not effectively implementing sheltered strategies across all contents.

Problem Statement 6 Areas: Student Achievement

**Problem Statement 7**: North Shore High School Special Education students are failing to meet safeguards in all contents.

**Root** Cause 7: General education teachers are not effectively implementing specially designed instruction to Special Education students.

Problem Statement 7 Areas: Student Achievement

**Problem Statement 8**: English I and English II Masters performance of 3% are below the states average of 8%.

Root Cause 8: The scope and sequence of Pre-AP English does not meet the rigor of the tested TEKs.

Problem Statement 8 Areas: Student Achievement

**Problem Statement 9**: North Shore High School needs to develop more partnerships with the community.

**Root Cause 9**: There are limited opportunities to build relationships with the school.

Problem Statement 9 Areas: Parent and Community Engagement

**Problem Statement 10**: Parents are not as actively involved at the high school level.

Root Cause 10: Parents report they do not feel welcomed.

Problem Statement 10 Areas: Parent and Community Engagement

**Problem Statement 11**: North Shore High needs to use a variety of strategies to communicate with parents.

Root Cause 11: Parents ignore call outs and may not follow campus social media outlets.

**Problem Statement 11 Areas**: Parent and Community Engagement

**Problem Statement 12**: Teachers and students need to feel supported.

Root Cause 12: There needs to be more positive relationships between students, teachers, and administrators.

Problem Statement 12 Areas: School Culture and Climate

**Problem Statement 13**: There are not enough students participating in the extracurricular/organizational opportunities offered on the campus.

**Root Cause 13**: There is a lack of participation in beginning of the year orientation events.

Problem Statement 13 Areas: School Culture and Climate

**Problem Statement 14**: Staff and students are not at their assigned duty areas consistently.

Root Cause 14: Administrators and duty captains are not consistently monitoring and holding staff accountable for being on duty.

Problem Statement 14 Areas: School Context and Organization

**Problem Statement 15**: US History masters level performance of 28% is ranked in the bottom half of our comparison schools.

Root Cause 15: Dual credit students are not exposed to US History TEKs as compared to Advanced Placement and On-Level US History students.

Problem Statement 15 Areas: Student Achievement

**Problem Statement 16**: We will increase the implementation of sheltered strategies and specially designed instruction for our ELL and SpEd students.

Root Cause 16: Lack of intentional planning and PLC time for instructors

Problem Statement 16 Areas: Curriculum, Instruction, and Assessment

**Problem Statement 17**: Too many students not prepared for college and/or careers.

Root Cause 17: Current curricula does not include college preparation activities in on-level courses.

Problem Statement 17 Areas: Curriculum, Instruction, and Assessment

**Problem Statement 18**: The English II EOC performance is consistently performed below the state for the last 5 years.

Root Cause 18: English re-testers are not receiving effective interventions

Problem Statement 18 Areas: Student Achievement

**Problem Statement 19**: Technology use is not consistent across all classrooms.

**Root Cause 19**: Technology available to and trainings provided are not consistent across contents.

Problem Statement 19 Areas: Technology

**Problem Statement 20**: Teachers find it difficult to use technology to analyze their data

Root Cause 20: Teachers are not required to attend Aware data training.

Problem Statement 20 Areas: Technology

**Problem Statement 21**: There is a need to provide ample planning time for our teachers/coteachers in order to address curriculum changes/modifications, instructional practices, incentives, tutorials, etc.

Root Cause 21: The master schedule does not reflect common planning for gen ed and co teachers.

Problem Statement 21 Areas: Student Academic Achievement

**Problem Statement 22**: There is an insufficient number of teachers with an ESL certification to meet the growing demands of ELs.

Root Cause 22: Teachers do not understand the value of gaining the certification.

Problem Statement 22 Areas: Student Academic Achievement

**Problem Statement 23**: There is a need to create a strategic tutorial plan to encourage maximum participation and outside support.

Root Cause 23: Students see the current plan as focused only on "passing" either a course or test. If they think they are "passing" they won't come.

**Problem Statements**: Staff Quality, Recruitment, and Retention 2 - Curriculum, Instruction, and Assessment 1

### **Performance Objective 1 Problem Statements:**

sponsored by the District's Professional

Development department.

### **School Culture and Climate**

**Problem Statement 1**: Teachers and students need to feel supported. **Root Cause 1**: There needs to be more positive relationships between students, teachers, and administrators.

### Staff Quality, Recruitment, and Retention

**Problem Statement 2**: Teachers do not readily support new instructional initiatives. **Root Cause 2**: Teachers struggle with managing multiple initiatives and are often overwhelmed with implementation.

### **Curriculum, Instruction, and Assessment**

**Problem Statement 1**: We will increase the implementation of sheltered strategies and specially designed instruction for our ELL and SpEd students. **Root Cause 1**: Lack of intentional planning and PLC time for instructors

### **Student Academic Achievement**

Problem Statement 6: The performance gap between general education students and ICS students is too wide. Root Cause 6: SpEd ratios in classrooms are too large.

Goal 1: North Shore High School will provide a safe, productive and healthy learning/working environment for students and staff.

**Performance Objective 2:** North Shore High School will increase the percentage of staff members reporting North Shore to be a safe and positive workplace by 2% according to the campus needs assessment survey

### **Performance Objective 2 Problem Statements:**

#### **Student Achievement**

**Problem Statement 3**: English I and English II Masters performance of 3% are below the states average of 8%. **Root Cause 3**: The scope and sequence of Pre-AP English does not meet the rigor of the tested TEKs.

**Problem Statement 4**: US History masters level performance of 28% is ranked in the bottom half of our comparison schools. **Root Cause 4**: Dual credit students are not exposed to US History TEKs as compared to Advanced Placement and On-Level US History students.

**Problem Statement 5**: The English II EOC performance is consistently performed below the state for the last 5 years. **Root Cause 5**: English re-testers are not receiving effective interventions

### **Student Academic Achievement**

**Problem Statement 3**: There is a need to create a strategic tutorial plan to encourage maximum participation and outside support. **Root Cause 3**: Students see the current plan as focused only on "passing" either a course or test. If they think they are "passing" they won't come.

**Problem Statement 5**: US History EOC Master performance amongst Dual Credit and AP students is low. **Root Cause 5**: Goal setting and interventions begin too late in the year and should begin in the Fall Semester.

Problem Statement 6: The performance gap between general education students and ICS students is too wide. Root Cause 6: SpEd ratios in classrooms are too large.

Goal 3: North Shore High School will ensure student growth in the tested areas.

Performance Objective 3: ELA scores for LEP students will increase by 4% points each year and will meet state expected targets by the year 2020.

# **Performance Objective 7 Problem Statements:**

#### **Student Achievement**

**Problem Statement 1**: North Shore High School LEP students failed to meet safeguards in English Language Arts. **Root Cause 1**: Teachers are not effectively implementing sheltered strategies across all contents.

**Problem Statement 2**: North Shore High School Special Education students are failing to meet safeguards in all contents. **Root Cause 2**: General education teachers are not effectively implementing specially designed instruction to Special Education students.

**Problem Statement 3**: English I and English II Masters performance of 3% are below the states average of 8%. **Root Cause 3**: The scope and sequence of Pre-AP English does not meet the rigor of the tested TEKs.

**Problem Statement 4**: US History masters level performance of 28% is ranked in the bottom half of our comparison schools. **Root Cause 4**: Dual credit students are not exposed to US History TEKs as compared to Advanced Placement and On-Level US History students.

**Problem Statement 5**: The English II EOC performance is consistently performed below the state for the last 5 years. **Root Cause 5**: English re-testers are not receiving effective interventions

## Curriculum, Instruction, and Assessment

**Problem Statement 1**: We will increase the implementation of sheltered strategies and specially designed instruction for our ELL and SpEd students. **Root Cause 1**: Lack of intentional planning and PLC time for instructors

#### **Student Academic Achievement**

Problem Statement 6: The performance gap between general education students and ICS students is too wide. Root Cause 6: SpEd ratios in classrooms are too large.

# Goal 4: North Shore High School will ensure students are provided quality enrichment/extracurricular programs and encourage their participation.

**Performance Objective 1:** Increase the number of students participating in the extracurricular/organizational opportunities offered on the campus.

## **Performance Objective 5 Problem Statements:**

#### **Demographics**

**Problem Statement 1**: The at-risk percentage is 11 percent higher than the state average of 49%. **Root Cause 1**: English EOC primary tester passing rate is low and interventions are ineffective.

**Problem Statement 3**: Student attendance is below the state average. We need to improve attendance since it is a direct correlation to student success. **Root Cause 3**: There is a lack of parental involvement/student motivation and a need for targeted, consistent, effective student attendance incentives.

#### **School Culture and Climate**

Problem Statement 1: Teachers and students need to feel supported. Root Cause 1: There needs to be more positive relationships between students, teachers, and administrators.

## Curriculum, Instruction, and Assessment

Problem Statement 2: Too many students not prepared for college and/or careers. Root Cause 2: Current curricula does not include college preparation activities in on-level courses.

# **Parent and Community Engagement**

**Problem Statement 1**: North Shore High School needs to develop more partnerships with the community. **Root Cause 1**: There are limited opportunities to build relationships with the school.

Problem Statement 2: Parents are not as actively involved at the high school level. Root Cause 2: Parents report they do not feel welcomed.

**Problem Statement 3**: North Shore High needs to use a variety of strategies to communicate with parents. **Root Cause 3**: Parents ignore call outs and may not follow campus social media outlets.

# **Demographics**

**Problem Statement 4**: Student attendance is below the state average. We need to improve attendance since it is a direct correlation to student success. **Root Cause 4**: There is a lack of parental involvement/student motivation and a need for targeted, consistent, effective student attendance incentives.

**Problem Statement 5**: The at-risk percentage is 11 percent higher than the state average of 49%. **Root Cause 5**: English EOC primary tester passing rate is low and interventions are ineffective.

**Goal 5:** North Shore High School will have a 96.5% or higher student attendance rate and a 97% or higher staff attendance rate.

**Performance Objective 6:** Due to the 2018-2019 data results being the lowest percentage of the entire school year, North Shore High School will focus on improving the 5th 6 weeks attendance.

# **Performance Objective 1 Problem Statements:**

# **Demographics**

**Problem Statement 1**: The at-risk percentage is 11 percent higher than the state average of 49%. **Root Cause 1**: English EOC primary tester passing rate is low and interventions are ineffective.

#### **Student Achievement**

**Problem Statement 1**: North Shore High School LEP students failed to meet safeguards in English Language Arts. **Root Cause 1**: Teachers are not effectively implementing sheltered strategies across all contents.

**Problem Statement 2**: North Shore High School Special Education students are failing to meet safeguards in all contents. **Root Cause 2**: General education teachers are not effectively implementing specially designed instruction to Special Education students.

**Problem Statement 3**: English I and English II Masters performance of 3% are below the states average of 8%. **Root Cause 3**: The scope and sequence of Pre-AP English does not meet the rigor of the tested TEKs.

**Problem Statement 5**: The English II EOC performance is consistently performed below the state for the last 5 years. **Root Cause 5**: English re-testers are not receiving effective interventions

# Staff Quality, Recruitment, and Retention

**Problem Statement 1**: There are few opportunities for teachers to collaborate. **Root Cause 1**: Most staff development sessions are lecture orientated sessions from administrators and teachers are given few opportunities to learn from one another.

**Problem Statement 2**: Teachers do not readily support new instructional initiatives. **Root Cause 2**: Teachers struggle with managing multiple initiatives and are often overwhelmed with implementation.

# **Technology**

Problem Statement 2: Teachers find it difficult to use technology to analyze their data Root Cause 2: Teachers are not required to attend Aware data training.

# **Demographics**

**Problem Statement 5**: The at-risk percentage is 11 percent higher than the state average of 49%. **Root Cause 5**: English EOC primary tester passing rate is low and interventions are ineffective.

# **Student Academic Achievement**

**Problem Statement 1**: There is a need to provide ample planning time for our teachers/coteachers in order to address curriculum changes/modifications, instructional practices, incentives, tutorials, etc. **Root Cause 1**: The master schedule does not reflect common planning for gen ed and co teachers.

Problem Statement 6: The performance gap between general education students and ICS students is too wide. Root Cause 6: SpEd ratios in classrooms are too large.

Goal 7: North Shore High School will ensure high quality staff is employed.

**Performance Objective 2:** North Shore High will work to increase the number of ESL certified teachers in all areas.

### **Performance Objective 3 Problem Statements:**

### **Demographics**

**Problem Statement 3**: Student attendance is below the state average. We need to improve attendance since it is a direct correlation to student success. **Root Cause 3**: There is a lack of parental involvement/student motivation and a need for targeted, consistent, effective student attendance incentives.

**Problem Statement 7**: The first week of the fourth 6 Weeks, garners the lowest attendance days of the year. **Root Cause 7**: Students do not return on time from holiday travel.

### **Demographics**

**Problem Statement 4**: Student attendance is below the state average. We need to improve attendance since it is a direct correlation to student success. **Root Cause 4**: There is a lack of parental involvement/student motivation and a need for targeted, consistent, effective student attendance incentives.

**Goal 9:** North Shore High School will achieve a 96.0% or higher student attendance rate, utilizing the \$6,842.00 Attendance Incentive Plan allotment. North Shore Senior High School will achieve a student attendance rate of 95.5% for the Fall 2019 semester and 95.0% for the Spring 2020 semester utilizing the \$12,634 Attendance Incentive Plan allotment.

**Performance Objective 4:** Increase student attendance percentage to 95.5% or higher at North Shore 10 and 95% or higher at North Shore Senior High for the 5th 6 Weeks Period. Increase student attendance percentage to 95% or higher at North Shore 9

**Evaluation Data Source(s) 4:** Increased student attendance on PEIMS, Skyward and School Status Reports.

### **Title I Schoolwide Elements**

### ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

### 1.1: Comprehensive Needs Assessment

CPAC met on April 11, 2019 to gather data for each group and initiate the CNA conversations. Eight teams were established and met on **April 17, 2019**. Each team reviewed the data. There were 50 staff members comprised of administrators, teachers, counselors, instructional specialists, paraprofessionals and parents to participate in the meeting. We held one meeting from 3:00PM-6:00PM at NSSH and another meeting from 3:00-6:00 at North Shore 10th Grade Campus. Data sources (i.e. parent, student, and teacher surveys, STAAR results, attendance data, discipline data, schedules, etc.), reference materials, graphic organizers etc. were all provided in the Google Classroom. In addition, each committee was given 3 google chrome books to view data sources and chart paper for brainstorming. The Google Classroom allowed each committee to view another committee's progress and ideas. Each committee designated a recorder for their group. The recorder input the teams' feedback. The committee reviewed the data sources using the google classroom. Committee members worked collaboratively to identify the needs, strengths, problems, root causes and strategies of their respective NCLB area. The recorder documented the teams' responses on the "Findings Analysis" page located in the google classroom. Based on our CNA, our 3 areas of focus will be:

- 1. Increase Attendance
- 2. Increase meets and masters in English and Social Studies
- 3. Increase students graduating College, Career or Military Ready

### 2.2: Regular monitoring and revision

CPAC will meet on, September 12th, December 5th, February 6th and May 19th to review, monitor, and revise the CIP.

### 2.3: Available to parents and community in an understandable format and language

The North Shore High School CIP will be made available to parents and community members in **English and Spanish** in the following areas of North Shore 9th Grade, 10th Grade and Senior High areas:

- Campus Website
- Main office entries and
- Publicly presented during Open House
- PTA Meetings
- -GPISD Administration

### 2.4: Opportunities for all children to meet State standards

North Shore 9th Grade, 10th Grade and Senior High has developed multiple strategies for **all of its students** to meet state standards. Each campus will implement target tutorials, Kerzweil software, and data driven instruction while providing intervention for struggling students. Administrators will conduct data reflection conferences with their teachers. Teachers will hold data reflection conferences with their students to ensure they are focused on progress. North Shore High School will maintain a targeted focus in the following areas:

The North Shore Campus Improvement Plan has specifically addressed opportunities for children to meet all state standards in the following ways:

- •
- North Shore Senior High 12th Grade English IV/College Prep courses will perform ACT goal setting conferences with its students.
- Enroll students who have not shown college readiness into a college prep Math or College prep English course.
- North Shore Senior High will incorporate a practice TSIA activity as a part of the Intense Algebra and English IV curriculum.
- North Shore 10th Grade Center will enroll re-tester students within one point of passing into an on-level core course and 1 remediation course.
- North Shore High School will conduct weekly Masters tutorials for their students within 5 points of the Masters performance.
- Students and teachers will set and review Masters goals.
- Teachers will cycle US History lessons on Fridays for US History Dual Credit students
- NSSH will create a cross curricular team of teachers who will provide visual, interactive teaching for accelerating learning to all beginning and intermediate LEP students.
- Core content teachers will use Kerzweil at least twice a week during instruction.
- Co-Teachers and General and education teachers will be assigned a common planning period.
