Demographics

Demographics Summary

In the primary grades (PK-2nd), the campus is organized in self contained classrooms. In the upper grades (3rd-5th), the classes are organized as team teaching, with exceptions where we have two self-contained classes. The team teaching consists of one Language Arts and Social Studies teacher and one Mathematics and Science teacher. Our English Language Learner population is 66.4%, Gifted and Talented is 4.5%, and special education is 5.9%. Our ELL's are serviced through the One-Way Dual Language 50/50 model where instruction is delivered in English and Spanish in Math, Science and Social Studies alternating languages each week. Our Dual Language 50/50 model will be moving into 5th grade in 2019-2020. Our GT students are serviced through the Journeys and Encounters programs where GT instruction is integrated into the curriculum. Special Education students are serviced through Co-teach, In-class support, and Resource.

The current student population is 1.2 % African-American, 5.4% Anglo, 0.4% American Indian, 0.1 % Asian, 92.7% Hispanic. Our economically disadvantage is 92.5%.

The staff population is 6.1% African-American, 14.6% Anglo, 6.3% Asian, 70.7% Hispanic, 10.4% male and 89.6% female. We have 100% Highly Qualified teachers and paraprofessionals.

The latest TAPR report of 2018 indicated an overall mobility rate for the campus is 14.3%. The 2018-19 average daily attendance rate for students was 96.6%. This was an increase from the 2017-2018.

Demographics Strengths

- Student population is mostly stable with a 14.3% mobility rate
- 100% highly qualified teachers and paraprofessionals; Including a high percentage of bilingual staff
- Successful implementation of our One-Way Dual Language program model to serve our ELL's
- Several student clubs, organizations and after school program opportunities for students
- Technology is readily accessible at all grade levels
- Students have opportunity to attend PE, Music, Art and Computer lab weekly.

- Library is open for all students in the morning and during lunch.

Problem Statements Identifying Demographics Needs

Problem Statement 1: We have a high percentage of students coming in as English Language Learners and need the support and fidelity of our Dual Language program. **Root Cause:** Students have limited exposure to English language from their homes and therefore need the support through the school.

Problem Statement 2: Parents are in need of parent education in order to help sustain the learning from the school to home. **Root Cause:** Parents do not always feel confident in knowing how to help students at home and need the tools to build their home capacity for their children.

Student Academic Achievement

Student Academic Achievement Summary

Our campus made Met Standard according to the 2019 STAAR Test results. Sam Houston received a letter C.

Our teachers regularly design and administered district common assessments, analyzed resulting student performance data, and implemented specific intervention/remediation based on this data.

Teachers differentiated instruction through guided reading, writing, math and science.

Teachers provided interventions during the school day as well as through after school tutorials.

Our 2019 STAAR results were

ELA/Reading

73% Approaches

38% Meets

17% Masters

Math

83% Approaches

49% Meets

23% Masters

Writing

66% Approaches

50% Meets

15% Masters

Science

Student Academic Achievement Strengths

- Consistency between student groups
- 59% of test performances indicate “Progress Made”
- 75/99 students with Did Not Meet last year met the “passing” standard (76%)
- 39 new “Mastery” level performances

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Our special education students' achievement was lower than other groups in all subject areas. **Root Cause:** Several special education students are not on level for reading and therefore need additional support to build the skills needed to be successful.

Problem Statement 2: There was a limited percentage of student growth in Reading and Math. **Root Cause:** Students need targeted interventions and daily instruction to meet their need for growth.

School Processes & Programs

School Processes & Programs Summary

Sam Houston Elementary has a master schedule that maximizes instructional time for all grade levels. All Kindergarten-2nd grade classrooms are self contained. Most 3rd-5th grade classrooms are departmentalized by ELA/SS and Math/Science.

Enrichment classes (Music, PE, Art, and Technology) are offered to students in Kindergarten-5th grades. There are tutorials, clubs and extracurricular activities offered after school for all students. Saturday tutorials are offered to students in 3rd-5th grades as needed for academic growth. Library is open to all students before school and during designated lunch times for students.

We have one counselor and nurse to oversee the health and mental well being of our students and staff. We have four campus instructional coaches that serve as coaches and interventionists to support our teachers and students. We have two interventionists that serve our Tier 3 RTI students as well as our dyslexia students. We have a Lead Mentor that meets with all new teachers each month to provide new teachers with support.

All teachers have opportunity to meet once a week for common planning time. Campus Instructional Coaches are there to support and facilitate planning each week.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Teachers new to Dual Language will need ongoing ELD training. **Root Cause:** This is the first year the Dual Language program has

reached the 5th grade.

Problem Statement 2: Continue to build teacher capacity due to changes in TEKS as well as continuing to keep up with curriculum expectations. **Root Cause:** Ongoing changes in curriculum, TEKS and resources.

Perceptions

Perceptions Summary

Sam Houston Elementary is a place where students, staff and our school community feel safe and respected. There are numerous opportunities for students to be involved with their school. Our activities we offer are R.A.M.S. Boys Club, Little Miss Girls Club, Student Council, Honor Society, Soccer, Cheer/Dance, ACE After School program, Announcers Club, Sam Safety Patrol, and Choir. We host several family engagement events to welcome our school community into our school. Students and parents feel teachers and the school staff care about children and do their best to provide a productive and positive learning environment.

Perceptions Strengths

Multiple student opportunities for school involvement: R.A.M.S. Boys Club, Little Miss Girls Club, Student Council, Honor Society, Soccer, Cheer/Dance, ACE After School program, Announcers Club, Sam Safety Patrol and Choir.

Multiple parent involvement events sponsored by the school and PTA.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: There is a need for students to build good character traits and conflict resolution to grow as productive citizens. **Root Cause:** Students lack the experiences needed to develop good character traits and decision making skills.

Problem Statement 2: We had concerns in the social emotional development with our students. **Root Cause:** Students need to build coping, conflict resolution and other character building skills so that they grow positively socially and emotionally.

Priority Problem Statements

Problem Statement 6: We have had an increase in discipline in student conflict, social media and threat assessment.

Root Cause 6: Students need to build coping, conflict resolution and other character building skills.

Problem Statement 6 Areas: School Culture and Climate

Problem Statement 7: Student attendance declines during specific times such as before and after a holiday.

Root Cause 7: Parents tend to have plans during extended weekends and/or holidays. Therefore, will want to have an early start.

Problem Statement 7 Areas: Demographics

Problem Statement 8: Student attendance declines as the year is settled.

Root Cause 8: Students tend to get sick during the cold months or transportation becomes an issue due to inclement weather.

Problem Statement 8 Areas: Demographics

Problem Statement 9: Student attendance declines during the year.

Root Cause 9: Parents tend to schedule doctor appointments during the school day, sometimes missing whole days of school.

Problem Statement 9 Areas: Demographics

Problem Statement 10: Students need reading practice at home to aide in reading achievement.

Root Cause 10: Parents may not have the resources or knowledge to help children at home with reading.

Problem Statement 10 Areas: Parent and Community Engagement

Goals

Revised/Approved: June 07, 2019

Goal 1: Sam Houston Elementary will provide a safe, productive and healthy learning/working environment for students and staff.

Performance Objective 1: To promote and implement a school wide character education program (Medal of Honor) where students are taught character traits in order to build their awareness of positive and healthy choices. The lessons and engagement from teachers and staff will increase student awareness and build good character for students. This will continue to build a positive climate for our campus and have students feel safe and be productive.

Evaluation Data Source(s) 1: Character education lesson schedule, number of office referrals, completion of recognition assemblies.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Sam Houston Elementary faculty met on **May 15 and May 22, 2019** to review school data in order to develop our Campus Improvement Plan. Committees were formed to cover each area: Demographics, School Culture & Climate, Technology, Staff Quality, Recruitment and Retention, Parent & Family Engagement, School Context & Organization, Student Achievement and Curriculum, Instruction and Assessment. Committees reviewed data and surveys that related to their area and determined strengths, areas of need, problem statement, strategies to address the problem statements and a summary. The entire CIP was shared and approved with all staff on **June 1**.

Based on our CNA, our focus areas will be:

- Reading across grade levels
- School culture/Character Education

2.2: Regular monitoring and revision

The CIP will be monitored at quarterly and discussed at every CPAC meeting. If there are any revisions necessary, the final decisions will go through the CPAC for approval.

2.3: Available to parents and community in an understandable format and language

Parents and community will have access to our Campus Improvement Plan by request or at our front office, website, GPISD Administration. The goals of the CIP are available in English and Spanish.

2.4: Opportunities for all children to meet State standards

Sam Houston Elementary offers tutorials after school for all students. Saturday tutorials are offered to students in 3rd-5th grades as needed for academic growth. Our school context and organization provide opportunity for students to be successful so that state standards are met.

2.5: Increased learning time and well-rounded education

Sam Houston Elementary has a master schedule that maximizes instructional time for all grade levels. All Kindergarten-2nd grade classrooms are self contained. All 3rd-5th grade classrooms are departmentalized by ELA/SS and Math/Science. There are two class exceptions of a 3rd and 4th grade class which are self contained due to student numbers. Enrichment classes (Music, PE, Art, Library and Technology) are offered to students in Kindergarten-5th grades. There are tutorials, clubs and extracurricular activities offered after school for all students. Saturday tutorials are offered to students in 3rd-5th grades as needed for academic growth. Our school context and organization provide opportunity for students to be successful and provided a well rounded education.

2.6: Address needs of all students, particularly at-risk

All student progress is monitored closely. Through RTI and At-Risk identification, student progress is checked throughout the year. Aside from district assessments, teachers utilize ongoing formal and informal assessment to check student progress.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Policy is developed and reviewed during a PTA Meeting by Sam Houston Elementary faculty, staff and parents. It will be distributed during Report Card Parent conferences. It is available in English and Spanish.

3.2: Offer flexible number of parent involvement meetings

Parent and Family Engagement Policy meetings will be offered throughout the year at flexible times-

PTA Meetings (after school and one evening meeting in December)

Coffee with the Principal (mornings)

Parent conferences (teacher conference times, before or after school)

ACE Monthly Parent Meetings (after school and evenings)

Parent Nutrition (mornings)

Parent volunteer trainings (scheduled as needed)
