Demographics

Demographics Summary

Demographics Summary

Dr. Shirley J. Williamson (SJW) is one of the 15 elementary campuses in Galena Park Independent School District. Williamson Elementary serves over 600 students in grades PPCD/PK to 5th grade. Williamson Elementary opened its doors to students for the first time on August 15, 2005 as Freedom Elementary School. We welcomed more than 400 students that day, and weeks later enrolled more than 50 hurricane evacuees. Freedom's first seven years were very successful. Freedom was renamed to Dr. Shirley J. Williamson Elementary in the fall of 2007, in honor of former State of Texas Commissioner and former Galena Park ISD Superintendent, Dr. Shirley Neely. Williamson Elementary has had four principals: Mrs. Terri Moore (2005-2011), Mrs. Stephanie Perry (2011-2014), Mrs. Paula Patterson (2014-2017), and Dr. Jonathan Sutton (2017-Present). Williamson Elementary serves many special populations of students from Pre-Kindergarten through fifth grade, specifically PPCD, Life Skills, and PASS.

- The student population at Williamson Elementary is:
 - African American 42.8%

Problem Statements Identifying Demographics Needs

Problem Statement 1: We will work to resolve the disparity in campus attendance rates. **Root Cause**: Lack of parental accountability/urgency in ensuring that students are present and on time.

Problem Statement 2: We will work to enhance the academic proficiency of the sub populated groups. **Root Cause**: The sub populated group make up the majority of the campus's mobility rate, causing a barrier when working consistently with closing academic gaps.

Problem Statement 3: Student attendance drops the 3rd six weeks Root Cause: Cold and flu season

Problem Statement 4: Pre-K attendance negatively impacts overall attendance Root Cause: The short day sometimes discourages parents from being

students if scheduling is difficult

Problem Statement 5: Attendance is lower during holiday season Root Cause: Families travel or take children out for family holiday functions

Problem Statement 6: Student attendance declines the last 6 weeks Root Cause: Stamina becomes a problem and parents feel testing is over

Problem Statement 7: Attendance drops the 2nd semester **Root Cause**: Cold/inclement weather negatively impacts attendance

Student Academic Achievement

Student Academic Achievement Summary

The 2019 data reports the ALL categories as 79% approaching, 45% meets, and 19% masters. ELA and Math are areas of strength with ELA reporting 82% approaching, 46% meets, and 21% masters; Math reporting 84% approaching, 51% meets, and 24% masters. Science and writing are areas of intense focus with science data reporting 74% approaching, 42% meets, and 15% masters; writing scores reporting 63% approaching, 23% meets, and 4% masters.

Year	Reading	Writing	Math	Science
2017	73%	52%	80%	77%
2018	77%	64%	88%	78%
2019	82%	63%	84%	74%

Student Academic Achievement Strengths

- Asian population is 94% Approaches and Asians have the highest percentage per subject area
- Reading has a trend of improvement over the past 3 years

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: 4th Grade Writing scores need improvement in approaches, meets and masters **Root Cause**: A gap in the curriculum from lower grades to upper grades

Problem Statement 2: 3rd grade math scores need improvement in approaches, meets, and, masters. **Root Cause**: A gap in the curriculum from lower grades to upper grades.

School Processes & Programs

School Processes & Programs Summary

Dr. Shirley J. Williamson Elementary teachers use Galena Park ISD's curriculum in the classroom. The district curriculum is aligned to the state standards. Our teachers have 90 minuts of uninterrupted instruction each morning. District-created assessments and released STAAR tests are used to measure student progress throughout the school year. Data is used from an array of assessments to determine classroom instruction and student interventions. Struggling students are identified and tracked by the campus RTi team.

Dr. Shirley J. Williamson has two computer labs; one for students to use during elective rotation and one for the classroom teacher to team with the campus Technology Instructional Specialist to teach students technology applications. The campus has three Chromebook carts that are checked out daily to support iReady, iStation and technology integration into lessons. Each classroom has a projector and document camera. IPads were added to grade levels; providing 5-6 per classroom in all grade levels except kindergarten.

School Processes & Programs Strengths

- Uninterrupted instructional time
- Data Room keeps student achievement at the forefront
- Data charts in the hallway and classroom keep students focused on achievement
- STEMscopes, iReady, iStation, Razkids
- Many opportunities for professional development district wide
- Gained more technology on campus
- All mobile technology units are being used every day
- After school STEM club and Robotics club

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: There are large gaps, in lower grades, in what students are expected to achieve from one grade to another **Root Cause**: Curriculum and instruction needs more vertically alignment

Problem Statement 2: Students are lacking in 21st century computer skills **Root Cause**: There is a lack of technology resources and time for students to do more than istation and iready.

Performance Objective 1 Problem Statements:

Demographics

Problem Statement 1: We will work to resolve the disparity in campus attendance rates. **Root Cause 1**: Lack of parental accountability/urgency in ensuring that students are present and on time.

Problem Statement 2: We will work to enhance the academic proficiency of the sub populated groups. **Root Cause 2**: The sub populated group make up the majority of the campus's mobility rate, causing a barrier when working consistently with closing academic gaps.

Problem Statement 4: Pre-K attendance negatively impacts overall attendance Root Cause 4: The short day sometimes discourages parents from being students if scheduling is difficult

Problem Statement 5: Attendance is lower during holiday season Root Cause 5: Families travel or take children out for family holiday functions

Perceptions

Problem Statement 7: There is a lack of communication between parents and the campus. **Root Cause 7**: There is a major deficiency in parental involvement in correlation with student achievement.

Goal 11: Williamson Elementary will achieve a 96.5% or higher student attendance rate, utilizing the \$2,749.00 Attendance Incentive Plan allotment.

Performance Objective 2: Increase student attendance percentage to 97% or higher for the 3rd 6 Weeks Period.

3	1		Assess all students and review data to identify and set personal learning goals to ensure academic success. Monitor special education students monthly with progress towards learning goal.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

Our campus met on **April 15th** to begin our CNA process. Four committees were established and met individually before **May 3, 2019**. Each team reviewed the data (parent, student, and teacher surveys, STAAR results, attendance data, discipline data, schedules). Each team listed strengths and concerns/weaknesses. We discussed each concern/weakness and deleted any items that were out of campus control and focused on one or two that we could make our goals for 2019-2020. Each team then wrote a problem statement and identified root causes. Based on our CNA, our 3 areas of focus will be:

- 1. Increased Attendance
- 2. Academic Rigor and Relevance
- 3. Differentiated Instruction

Persons listed below were split between 4 committees and served in the CNA process.

2.2: Regular monitoring and revision

CPAC meeting dates are September 19, 2019, November 21, 2019, February 13, 2020, and May 21, 2020, to review monitor and revise the CIP.

2.3: Available to parents and community in an understandable format and language

A copy of our Campus Improvement Plan is available in our front office, the Harris County Public Library, the Williamson Elementary parent handbook, and is posted on our school's web page. It is provided in Spanish and English. Parents were sent a mass communication via text and email of how to access the document.

2.4: Opportunities for all children to meet State standards

All students will have the opportunity to meet state standards through whole group instruction, small group interventions, tutorials, differentiated instruction, and TEKS focused high-quality instruction. We provide various opportunities for our students to meet state

standards. The leadership team makes teacher recommendations as to who needs additional professional development to ensure quality student instruction is presented. Our teachers have been trained extensively on guided reading, small group instruction and data driven instruction. We also provide student tutorials for those identified at -risk; our interventionist provides dyslexic services for those identified in need. Our campus instructional coaches provide intervention support to teachers as well as to students throughout the year. Our school counselor provides students emotional support and guidance whenever needed. We have plans to increase our parent participation with nutrition and academic sessions. Our Boys and Girls Organization/Club and counselor also offer great social and academic support to our students that participate in it.

2.5: Increased learning time and well-rounded education

We utilize our learning schedule with academics and extra-curricular opportunities. We incorporate an uninterrupted 90 minute block for all students; literacy for K-1. Learning time is respected at Williamson, we try our best to restrict all interruptions during instructional time. We believe in the importance of building the "whole" child, not only in academics but also we work on keeping kids emotional, physically, and socially sound.

Master schedule will be created to ensure "Every Minute Counts" and that at least the minimum required minutes for all content areas are allotted for each class. Teachers will ensure all lessons are planned and prepared to maximize instructional time. After school tutorials and Saturday tutorials will be offered to all students. Students will attend Music, Art, PE, and Library to ensure a well-rounded education to hone and develop their other talents. Extra-curricular activities will be available for students including, but not limited to: boys club, girls club, honor choir, robotics, NASA STEM Club, S3 Competition, National Elementary Honor Society, and UIL Elementary Academic Meet.

2.6: Address needs of all students, particularly at-risk

Many of our students are of low socio-economic means; we are a Title I school. Our students have a variety of needs which make them atrisk learners: Limited English proficient, learning challenges (special education), health concerns, single parent families, retainees and a student mobility rate of 19.3%. Our school counselor does a wonderful job in reaching out to parents whose children are experiencing difficulties. Reading and writing are a focus for our At-risk, SPED, and EL populations. We recognize that some students will struggle in their academics, so we provide in class interventions as well as pull out and push in structures of support. We also provide after school tutorials and Saturday school. We realize students have different strengths/weaknesses and interests, therefore we also offer art, science, music or a sport to capture our students. We provide these extra-curricular activities as they help build students' confidence. We try to empower and validate all students but especially those that struggle with learning.

Attendance and mobility are also a concern as it creates instructional gaps. Our homeless numbers have increased and are above most

elementary schools in Galena Park ISD. It is our goal to minimize the effects of this through the above mentioned supports.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Policy was reviewed and revised by the Parent and Family Engagement Committee.

The Parent Engagement Policy is distributed electronically via email as well as a printed copy being distibuted during parent conferences and at parent

meetings. The policy can also be found in the front office and on the campus website in both English and Spanish. The policy will be reviewed and updated throughout the year.

3.2: Offer flexible number of parent involvement meetings

Parent family engagement meetings will be offered throughout the year on the campus, in classrooms and in the gym, and at Peter Piper Pizza. The PFE committee will meet on the 3rd Thursday of each month at 5pm and the 3rd Friday of each month at 11:30am.
