Dear Parents and Guardians,

We have recently received several reports of concerns from area businesses (especially those located on Wallisville Road) regarding inappropriate actions in and around their establishments, before and after school, by some of our students. In addition, we've received concerns from the business owners regarding the drop off and pick up of students in their parking lots.

We are asking for your assistance with the following:

1. Parents, please DO NOT drop off or pick up students in business parking lots; and
2. Students should not loiter in and around businesses. Students who are making purchases should do so and leave as soon as the purchase is complete.

We appreciate the support our community businesses have shown our students and community and we encourage all to support them as well. Thank you for your assistance in alleviating these concerns.

Sincerely,

Angi Williams, Ed.D.  
Superintendent of Schools
