SEAFOOD-FREE CAMPUS/ESCUELA LIBRE DE MARISCOS

Dear Cunningham Parents and Guardians:

Our campus is committed to maintaining safe and secure environments for all students and staff. It is our number one priority. As such, I need to let you know of a new precautionary measure we will be implementing here at school effective immediately.

Cunningham Middle School will be a **SEAFOOD-FREE** campus for the remainder of this school year to ensure a safe and healthy environment for our students with severe allergies. The school cafeteria will not prepare or serve any item containing seafood products. ***Parents and staff are asked to ensure the seafood-free zone by not sending or bringing prepared meals which include seafood.*** Seafood items / products include: tuna fish, fish, shrimp, crawfish, crab, etc.

We ask for your cooperation and support as we work together to ensure a SEAFOOD-FREE campus at Cunningham Middle School.

Respectfully,
Shaunte' Morris, Principal

Estimados Padres de familia/Tutores:

Nuestro plantel está comprometido en mantener un ambiente seguro y protegido para todos los estudiantes y el personal. Es nuestra prioridad número uno. Como tal, necesito informarles acerca de una nueva medida de precaución que implementaremos aquí en la escuela de manera inmediata.

La Secundaria Cunningham será un plantel **LIBRE DE MARISCOS** durante el resto de este año escolar para garantizar un ambiente seguro y saludable para nuestros estudiantes con alergias severas. La cafetería de la escuela no preparará ni servirá ningún platillo que contenga productos del mar. ***Se les pide a los padres de familia y al personal que aseguren la zona libre de mariscos al no enviar o traer comidas preparadas que incluyan mariscos.*** Los productos / productos de mariscos incluyen: atún, pescado, camarones, cangrejos, jaibas, etc.

Pedimos su cooperación y apoyo mientras trabajamos juntos para garantizar un plantel LIBRE DE MARISCOS en la Secundaria Cunningham.

Atentamente,
Shaunte' Morris, Directora
