Tice Families

Even though February is the shortest month of the year we have much going on!

For student and staff safety, we now have an entry access system. To enter the school you will have to press the button on the access panel.

Great News! We are partnering with the Houston Food Bank and the Milk and Cereal Mobile is coming to Tice. All families can sign in and receive two half gallons of milk along with cereal while supplies last.

We want to make sure that every child has an opportunity to learn and that means making sure they come to school regularly. Attendance has been down at Tice. Too many absent students can affect the whole classroom, creating churn and slowing down instruction. Students who attend school regularly are more likely to graduate and find good jobs. Don't let absences add up!

Remember-Attend Today, Achieve Tomorrow.

Character Education Trait of the Month: Responsibility

-What does it mean to be a responsible person? A responsible person is one who is able to act without guidance or supervision, because he or she is accountable and answerable for his or her behavior. Such a person can be trusted or depended upon to do things on his or her own. A responsible person will follow through on obligations.
