

arclabs™

WELDING SCHOOL

900 HOUR ADVANCED WELDING PROGRAM

"To intentionally train and test students in welding, pipe fitting, and inspection for employment by the clients we serve."

WHY ARCLABS?

- Small Classes - 20:1 Ratio
- 95% Hands-On Training
- No Prerequisite Classes
- Military Friendly
- Instructors with Real World Knowledge
- Flexible Class Schedules (Day and Night)
- Career Placement Assistance
- ACCET National Accreditation
- Welding Certifications Available
- Job-Focused Training

SOLID CAREER CHOICE

The American Welding Society predicts a shortage of over 300,000 welders in the industry by 2024.
